LETTER OF TRANSMITTAL

February 1, 1967

To the Selectmen and Citizens of Winterport:

It is with pleasure, that I submit this report of the municipal affairs of the Town of Winterport, for the fiscal year ending February 1, 1967 for your approval.

The past eight months that I have been privileged to serve you as Town Manager have indeed been a most interesting and stimulating challenge. Some changes have taken place in this short period of time, and others are in the planning stage, all of which we hope are in making the Town of Winterport a much better place to live.

Some of the projects which have been started but are not completed, namely painting and making repairs on the Town Hall, reconstruction and resurfacing Main street with aid from the Maine State Highway commission, which is classified as State Aid Construction, the Town furnishing four Units the sum of \$3,192.00, plus the State furnishing twice this amount plus an added 20% and possibly an added bonus. It is hoped that this project can be finished this coming Year.

A Winterport Industrial Development Corporation was formed in January 1967, and the following citizens were elected Officers and Directors of this Corporation, Donald Weston, Lewis Libby, Edward McKeen, Lledrew Hackett, Ardane Whittier president, Lawrence Roy vice president, Howard I. Weaver Secretary-Treasurer, thus having representation from the Board of Selectmen, Planning Board and Industrial Committee.

The purpose of the Corporation is to induce some industry to locate in the Town of Winterport. A conference was held with a representative of the Maine Department of Economic Development and at this time we were informed that there were several Firms which are interested in coming to Maine. The Winterport Industrial Development Corporation is working on this project at this time.

During my short tenure as Town Manager, having been authorized by the Selectmen, an Investment Fund was established by taking the sum of (\$25,000.00) from general checking account and placed in Savings Accounts, earning interest in the amount of 4½ per cent per annum. It was felt that this sum was not needed for current expenses. It is my suggestion that a Capital Reserve account be established in the near future to be used for Capital Improvements for the future of the Town of Winterport, thereby not creating an added tax burden to the Citizens of the Town.

Any Citizen or Voter of the Town of Winterport, who would like to become a Member of the above Corporation may make application with the Secretary at the Town Office.

I wish to take the opportunity at this time to thank the many citizens and the Selectmen for their splendid co-operation extended to me.

Respectfully yours,

HOWARD I. WEAVER

Respectfully submitted,

BEATRICE L. RAYMOND

Town Clerk

HEALTH

Maine Department of Health and Welfare

Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Services in
Winterport in the year of 1966

Public health nursing service was directed toward promotion of improved community health and your nurse participated in this plan by the use of direct nursing service, health supervision, teaching and rehabilitation. Included in this service were visits in the home, in the health interests of families, immunization programs in the school and child health conferences for examination and immunization of infants and pre-school age children. Available resources were investigated, and used, as necessary, to meet health problems. Your nurse worked closely with physicians, health council members, school personnel and other agency personnel to effectively implement this program.

The public health nurse attended the registration of entering school children and counselled parents regarding the school health nursing service offered.

Your public health nurse, a staff member of the Division of Public Health Nursing, participated in a variety of activities as shown in Table 1.

TABLE 1

Nursing Activity	Number of Times Rendered
Individual visits to persons by age	316
Infant and pre-school, 0 to 5 years	120
School, 6 to 20 years	160
Adult, 21 to 64 years	36
Consultation with others	64
Conference with school personnel	25
Conference with volunteer health worker	20
Conference with physician	15
Conference with social worker	4
Participation in child health conference (Number of children examined by physician—48)	7
Participation in tuberculin skin testing program (Number of persons tested—101)	1
Participation in immunization program	4

Your public health nurse guided the planning and management of group immunization clinics. Table 2 presents the number of doses of vaccine administered by the type of immunization.

TABLE 2

Type of Immunization	Number of Doses of Vaccine Administered
Poliomyelitis	463
Diphtheria	160
Tetanus	160
Whooping Cough	81
Smallpox	77
Measles	9

Appreciation is extended to each health council member, school personnel and community officials for their support of the health program.

Respectfully submitted,

CONSTANCE B. ALLEN, R.N.

Public Health Nurse

LOCAL HEALTH OFFICER

Only sixty-one reports of communicable diseases were received this fiscal year. Since it is a simple matter to dial 223-4855 after 7:00 P.M., it seems there is little excuse for failure to report. Of course all of us are concerned, directly or indirectly, with public health. We surely ought to cooperate with our Health Department at least by reporting cases as they occur. All that is asked is what, who, when.

Complaints and magnitude of nuisance problems were not less during the year. Most of the cases now seem to have been solved satisfactorily after nine personal interviews, more on-the-spot visits for investigations and recommendations, nineteen telephoned interviews, eighteen letters initiated, ten letters answered and considerable mileage by car and on foot, all these being done cheerfully and willingly.

DOROTHEA DILLON

Local Health Officer

Winterport

February 1, 1967

REPORT OF THE WINTERPORT HEALTH COUNCIL

Fiscal Year 1966-1967

Esther Ellingwood, Chairman; Linda Norris, Vice Chairman; Shirley Shappy, Secretary; Beatrice Raymond, Treasurer; Cora McLeod, Child Health Chairman; Alma Doe, School Health Chairman.

The Health Council held eight (8) Well-Baby Conferences, at which time D.P.T. and Salk Polio shots were available as well as Smallpox Vaccinations and Physicals for all pre-school children. These clinics were held in the Methodist Vestry.

Measle Vaccinations were offered for \$2.00 to help defray the cost.

Shortly after school opened this fall, all school children grades one thru eight were weighed and measured and recorded on the school records. Records were checked for unusual gains or losses in weight.

At the June Health Council meeting, Mrs. Shirley Shappy resigned as Secretary; this resignation was accepted with regret. No new Secretary has been appointed. Also at this meeting, Mrs. Esther Ellingwood, Chairman declared the office of Vice Chairman vacant, since Mrs. Linda Norris was no longer residing in Winterport. Mrs. Ruth Green volunteered to serve as Vice Chairman for one year.

I want to take this opportunity to thank all the members of the Council who have so willingly helped during the year. I also want to express my thanks to Dr. Samuel Wagner and Mrs. Constance Allen, who have helped us so much. Many thanks go to the teachers and principals for their co-operation in our school programs.

The following equipment is available to any families needing them: vaporizers, hospital beds, wheelchairs, as well as other sick room equipment.

There is always room for more workers in the Health Council. If you are interested in the work, the regular meetings are held on the first Tuesday of February, April, June, September and December. Anyone is welcome.

Respectfully submitted,

ESTHER ELLINGWOOD

Chairman

This year's budget request reflects the savings accrued from closing Winterport High School, tuitioning Secondary pupils to Brewer and allowing outlying classrooms to be closed. The State Subsidy has been increased and these two factors allow the normal increase in appropriations to be held to a negligible amount.

In the Financial Statement for 1966 will be found items of income from various governmental subsidies of special programs. ESEA funds supported the Kindergarten from February 1, 1966 through the close of school in June, 1966, and ran the successful summer school, held in the Grammar School building. Miscellaneous income includes funds paid

to Winterport by SAD #56 for its share of Superintendent's office equipment when Union #78 was dissolved, student bus fees for Brewer High School athletic events, reimbursements and donations by public spirited citizens.

In December, 1966 it was discovered that the Grammar School was in a dangerous condition and immediate steps were taken to correct the situation. A licensed Engineer was engaged to inspect the building, make recommendations and pass upon its safety when repairs were completed. Children in Grades 1, 2 and 3 lost several days of school which are being made up on Saturdays. The Grammar School is structurally safe, but requires many additional renovations if it must continue to serve as a classroom building.

The School Committee has recommended that the Town build an addition to the L. H. Smith School consisting of eight classrooms and a gymnasium-cafeteria.

In conclusion, I wish to thank all those who helped the Winterport School System move forward so decisively during 1966.

Respectfully submitted,

RICHARD A. BELCHER

Superintendent of Schools

TOWN WARRANT

WALDO, ss

To Robert Higgins, a constable of the Town of Winterport,
in the county of Waldo GREETING:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the said Town of Winterport, qualified by law to vote in town affairs, to assemble in the Town Hall in said town on Monday, March 20, 1967 at 10:00 A.M. to act on the following articles:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to adopt the following proposal, to wit: That upon completion of action in article 3 of this warrant the meeting will adjourn to meet in this hall March 21, 1967 at 7:30 P.M. in the evening to act upon the articles remaining in this warrant.

Art. 3. To choose by secret ballot according to the Revised Statutes, one member of the Board of Selectmen for a term of three years, one member of the Board of Assessors for a term of three years, a Town Clerk, a Fire Chief, one member of the superintending School Committee for a term of three years. The polls will be open at ten o'clock in the forenoon and will close at eight o'clock in the afternoon.

Art. 4. To see if the town will vote to construct an addition to the present LeRoy H. Smith School consisting of eight rooms plus a Gymnasium, at a cost of (\$170,000.00) one hundred seventy thousand dollars, or act thereon.

Art. 5. To see if the town will vote to accept a contract bid for the construction of an addition to the present LeRoy H. Smith School, consisting of eight rooms, plus a Gymnasium and elect a Building Committee to work in conjunction with the superintending School Committee to bring this project to completion, by having suitable plans presented to and approved by the Maine State Board of Education, putting out bids and engaging contractor to build same, for an amount of money not to exceed the amount voted at the Annual Town Meeting.

Art. 6. To see if the town will vote to authorize the Selectmen and Treasurer to arrange necessary financing to defray construction costs and issue town notes on terms that seem advisable for an addition to the LeRoy H. Smith School.

Art. 7. To see if the town will vote to raise or appropriate the sum of (\$20,000.00) more or less to be used for making repairs to School Street Grammar School.

Art. 8. To see what sum of money the town will vote to raise or appropriate for the support of Elementary Schools.

(The Budget Committee recommends \$84,648.00)

Art. 9. To see what sum of money the town will vote to raise or appropriate for the support of secondary education, or act thereon.

(The Budget Committee recommends \$28,546.00)

Art. 10. To see what sum of money the town will vote to raise or appropriate for the general school account, or act thereon.

(The Budget Committee recommends \$1,666.00)

Art. 11. To see if the town will vote to authorize the superintending School Committee to appoint a School Physician and provide facilities for the performance of his duties.

Art. 12. To see if the town will vote to raise or appropriate the sum of \$5 330.00 as the 1967 payment on the

(The Budget Committee recommends \$400.00)

Art. 31. To see if the town will vote to raise or appropriate the sum of \$100.00 to be paid to the Maine Publicity Bureau, in accordance with the provisions of Chapter 91, section 108, R. S. 1954 to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

(The Budget Committee recommends \$100.00)

Art. 32. To see what sum of money the town will vote to raise or appropriate for memorial purposes.

(The Budget Committee recommends \$125.00)

Art. 33. To see what sum of money the town will vote to raise or appropriate for the care and maintenance of Oak Hill Cemetery, to be expended by the Oak Hill Cemetery Association, or act thereon.

(The Budget Committee recommends \$450.00)

Art. 34. To see what sum of money the town will vote to raise or appropriate for the care of Town Cemeteries.

(The Budget Committee recommends \$200.00)

Art. 35. To see what sum of money the town will vote to raise or appropriate for Workmen's Compensation Insurance on employees employed by the town.

(The Budget Committee recommends \$400.00)

Art. 36. To see what sum of money the town will vote to raise or appropriate for the Winterport Free Library.

(The Budget Committee recommends \$1,500.00)

Art. 37. To see what sum of money the town will vote to raise or appropriate for the cost and installation of a new furnace for the Winterport Free Library.

(The Budget Committee recommends \$700.00)

Art. 38. To see what sum of money the town will vote to raise or appropriate for Town Hall maintenance.

(The Budget Committee recommends \$1,500.00)

Art. 39. To see what sum of money the town will vote to raise or appropriate for winding the town clock.

(The Budget Committee recommends \$50.00)

Art. 40. To see what sum of money the town will vote to raise or appropriate for abatement of taxes.

(The Budget Committee recommends \$400.00)

Art. 41. To see what sum of money the town will vote to raise or appropriate for the care of Abbott Park.

(The Budget Committee recommends \$75.00)

Art. 42. To see if the town will vote to authorize the Selectmen and Treasurer, to carry as a Capital Reserve Fund, any unexpended balance from Fire Department appropriation, as a fund for purchase of new equipment, or act thereon.

(The Budget Committee recommends yes)

Art. 43. To see if the town will vote to fix the rate of discount on taxes, if any, for prompt payment of taxes and the date when said discount shall cease, or act thereon.

Art. 44. To see if the town will vote to fix a date when taxes are due and payable, and to fix a rate of interest to be charged on taxes unpaid after such date, and to instruct its collector of taxes for the ensuing year, to collect all such taxes within the limit made by State Law for Collection of Taxes, or act thereon.

Art. 45. To see if the town in accordance with the provisions of Revised Statutes of Maine 1964, Title 30, Section 1953, will enter into mutual agreement with other agencies of the State of Maine, and or the United States Government for fire protection.

Art. 46. To see if the town will vote to authorize the Chief of Fire Department to represent the town in the adoption of by-laws for the operation of mutual aid under said agreement for the purpose of furnishing more effective fire protection, and to authorize the Chief of Fire Department to abide and conform to by-laws adopted pursuant to said agreement.

Art. 47. To see if the town will vote (A) to enter into a street lighting contract with Central Maine Power Company for a term of not less than ten (10) years covering the town's existing street lighting system and such additional installations as may be installed in accordance with the provisions of the contract; the town to pay Central Maine Power Company for the street lighting service furnished and delivered to it under the provisions of the contract the sums prescribed by the Company's applicable rate schedule, which in no event shall be less than 90% of the maximum amount of the Company's monthly billing to the Town for the street lighting service contracted for under the Company's applicable rate schedule during any previous twelve months' period expiring on the anniversary date of the contract, and (B) to authorize the Selectmen or the Town Manager to execute and deliver to Central Maine Power Company said street lighting contract.

Art. 48. To choose a Fire Inspector.

Art. 49. Shall an ordinance dealing with control of dogs, The Winterport Dog Ordinance, be enacted.

Art. 50. To see if the town will vote to authorize the Selectmen to sell or dispose of any Real Estate, acquired through unpaid taxes and tax liens thereon, on such terms as they deem advisable, and to execute quit-claim deeds for such property.

Art. 51. To see if the town will vote to authorize the Selectmen on behalf of the town, to appoint any and all necessary Town Officers required by law, and not chosen by voters of the town at the Annual Town Meeting.

You will hereby give notice that the Registrar of Voters or his Deputy will be in the Town Office Wednesday, Thursday and Friday, March 15, 16 and 17th, 1967 from 9:00 A.M. to 5:00 P.M. for the purpose of correcting the list of voters.

Given under our hand this 23rd day of February, 1967.

Constable of Winterport for Town of Winterport

SUMMARY OF NEW FORESTRY LAWS

To inhabitants of town of Winterport:

Your attention is called to new and revised laws enacted by the 102nd Legislature.

Due to limited space only those that will affect most of you are being summarized at this time. The Title, Chapter and Section numbers are being given but exact wording has been substituted by a general meaning of these laws.

Title 12, Chapter 215, Sub-Chapter 5, Section 1355

This law states that any town allowing dumping to continue on town dumps closed by the State because they do not meet clearance regulations will lose the town's right to State reimbursement of $\frac{1}{2}$ the costs of control of any escape fire from this dump during time of closure. This is up to 1% of state's valuation of town.

Title 12, Chapter 215, Sub-Chapter 7, Section 1456-A

This states no equipment for producing power shall be operated in or near woodlands without approved spark arresters or mufflers. This applies to chain saws, tractors, either manufactured or home-made, or other equipment.

Title 12, Chapter 215, Sub-Chapter 11, Section 1653

Any person who willfully or negligently causes a fire which burns forest, brush, grass or other lands or who fails to take proper action to control a fire on his own land shall be liable to the state or town for up to \$500.00 of the suppression costs.

Title 25, Chapter 317, Section 2436-A

This sets up control of debris burning when the ground is not covered with snow. Debris may be burned out of doors only between the hours of 5:00 P.M. and 12:00 midnight unless you have an approved incinerator or a special burning permit from your Town Warden or Fire Chief. Incinerator approval may be obtained from your Town Warden or Fire Chief. To meet approval incinerators must be tight containers with 1 inch holes for draft not more than a foot from bottom of container. Top must be tightly covered while burning with mesh or equivalent with holes $\frac{1}{2}$ inch or smaller. Incinerator is to be set in center of circle 10 feet in diameter cleared to mineral soil. Pressurized cans shall not be burned and fire shall not be left unattended.

NOTE: This law applies only to debris burning. Permits for burning slash, brush, blueberry land or fields of dry grass must be obtained for any time of day.

Questions on these laws may be answered by your Town Forest Wardens, Fire Chief or at the nearest Forest Ranger Station. --

SUGGESTION: HAUL, OR HAVE HAULED, DEBRIS TO TOWN DUMP. Old automobiles and animal refuse exempted.

SLASH DEFINED: Slash is defined as branches, bark, tops, chunks, cull logs, uprooted stumps and broken or uprooted trees and shrubs left on ground as a result of logging, right of way construction or maintenance and land clearance.

DEBRIS is any manufactured product, household rubbish, hay or other vegetative accumulation or materials not included under slash.

AUDITOR'S REPORT

February 27, 1967

Town of Winterport
Winterport, Maine

Gentlemen:

In accordance with Title 30, Section 5253, Maine Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended February 1, 1967.

The examination was made in accordance with generally accepted auditing standards that pertain to governmental accounting and included such auditing procedures as were considered necessary in the circumstances.

In our opinion, the exhibits and schedules incorporated in this report, fairly present the financial condition of the Town as of February 1, 1967 and the results of its operations for the year then ended.

Respectfully submitted,

L. C. NEAL

Public Accountant

LCN:mn

The complete Audit Report is on file at the Town Office.

C O M M E N T S

TOWN OF WINTERPORT

February 1, 1966 to February 1, 1967

An audit of the financial records of the Town of Winterport has been completed for the fiscal year ended February 1, 1967. The audit included a review of cash transactions as well as an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules pertaining to the financial affairs of the Town.

The operations for the fiscal year showed that the net unexpended balances lapsed in departmental accounts amounted to \$7,313.40 per the following summary:

Departmental Operations (Exhibit D)—

Unexpended Balances	\$ 21,920.14
Less: Overdrafts	14,606.74
	<hr/>
Net Unexpended Balance	\$ 7,313.40

The net unexpended balance was due principally to overlay and unappropriated revenue from excise taxes. The major overdraft occurred in snow removal.

ASSETS

The cash balance of \$63,474.75 in the general fund was reconciled with statements furnished by the Merchants National Bank, The Merrill Trust Company, Bangor, Maine and verification of subsequent deposits. General funds invested totaling \$25,391.77 are on time deposits in the Bangor Savings Bank \$15,235.04 and Penobscot Savings Bank \$10,156.73. The office fund of \$100.00 was verified by count of cash at date of audit.

Taxes receivable amounted to \$27,898.19. This amount is comprised of \$22,218.47 for the current year and \$5,679.72 for prior years.

Tax liens and tax acquired property amounted to \$3,516.55 and \$2,697.34 respectively.

Accounts receivable in the amount of \$513.98 originated principally from current year transactions.

LIABILITIES, RESERVES AND SURPLUS

A reserve in the amount of \$2,839.86 is being carried for possible losses in taxes receivable.

Balances carried forward totaled \$20,194.40. This amount is comprised of various accounts. Balances carried forward to the ensuing year should be only those involving other funds combined with Town funds or otherwise obligated.

The unappropriated surplus of \$100,558.32 reflects a decrease of \$9,536.94. Analysis of this account is shown on Exhibit E of the accompanying report.

SCOPE OF AUDIT

Town Clerk's records were examined, pertaining to the financial operations of the Town.

Treasurer's receipts and warrants were test checked to determine the accuracy of recorded transactions. Cash receipts were reconciled with bank deposits and warrants reconciled with bank charges.

The 1966 assessment of property and poll taxes was proved and compared with commitment to the collector. Copies of excise tax receipts were test checked.

Transactions in tax liens were reviewed. Matured tax liens and subsequent assessments were transferred to the tax acquired property account.

Recorded transactions in tax acquired property were reviewed.

Trust fund resources were examined and transactions in trust fund balances recorded.

LETTER OF TRANSMITTAL
YEAR 1967

February 1, 1967

To the Selectmen and Citizens of Winterport:

It is with pleasure, that I submit this report of the municipal affairs, for the fiscal year ending February 1, 1968 for your approval.

The past year that I have been privileged to serve you as town manager has indeed been an interesting and rewarding one. Some of the highlights of the past year, have been the erection of a six foot corrugated steel fence at the town dump, eliminating the blowing of refuse in the area, also bulldozing a fire lane around the complete area. This had to be done to meet the State Forest Fire Commission regulations, also the hiring of a part time caretaker to supervise the dumping of refuse, which eliminated the nuisances which have been experienced in the past.

A 1200 gallon tank truck was purchased for the volunteer fire department at a nominal cost to the town. It is felt that this is a vast improvement for our fire department, especially for the rural areas which we serve where there is a lack of water also for use at the large number of grass fires which we have each spring.

Extensive repairs were made to the interior of the Town Hall, which had to be made, to meet State Fire Insurance Commission regulations, before it could be used for public functions. An outside fire escape was installed, also new wiring, emergency lights and fire resistance walls where needed.

Last but not least the completion of the underground drainage system and the completion of Lower Main Street was accomplished with aid from State Aid funds.

Respectfully submitted,
HOWARD I. WEAVER
Town Manager

PROGRESS REPORT ON WINTERPORT SEWAGE DISPOSAL PLANS

On the twenty-sixth day of April 1967, the Board of Selectmen and the Town Manager entered into an agreement with the James W. Sewall Company, Old Town, Maine for the purposes of investigating, and drawing up of plans for disposal of Sewage for the Town of Winterport.

Need for Project:

The Penobscot River receives all the raw sewage discharged by the Town of Winterport. This river has been classified Class S C at Winterport, and terms of the classification may generally be interpreted as requiring Secondary Treatment of all sanitary waste.

The Federal Pollution Control Administration of the United States Department of the Interior has established a time table for the abatement of Pollution in the navigable water of the Penobscot River and upper Penobscot Bay in Maine.

Preliminary Plans for abatement of all sources of Pollution are to be completed by January 1968. All sources of Pollution are to have final plans and specifications approved by the Maine Water Improvement Commission by October 1968, and are to have arranged, voted and authorized financing by January 1969.

Construction is to be started by all sources of Pollution by April 1969. All remedial action necessary for the abatement of Pollution is to be completed by October 1970.

Preliminary Plans have been prepared and submitted to the Federal Pollution and Control Administration and to the Maine Water Improvement Commission by the Town of Winterport. These preliminary plans have been approved by the above Commissions.

Planning Contract for final plans should be signed on or about April 1, 1968. Preparation of final plans should begin on or before July 1, 1968.

Estimated cost of Sewer Project is \$293,000.00, which is broken down as follows: Estimated Federal Funds 50%, estimated State Funds 30% and estimated Town Funds 20%.

Recommendations

The following recommendations are made by the James W. Sewall Company, engineers for the proposed project.

1. The Town of Winterport should obtain options and the easements for the interceptor sewers and the land for the pumping station and the treatment plant.

2. The Town of Winterport should proceed with final plans for the interceptor sewers and treatment plant.

3. Funds should be raised by the Town of Winterport to cover the cost of surveying and the legal fees in obtaining options under the recommendations.

4. The Town of Winterport should borrow necessary funds to complete final plans for interceptors and treatment plant from the Department of Housing and Urban Development.

5. The Town of Winterport should alert the Maine Water Improvement Commission as to date of its proposed construction.

This is to inform you as to the progress which has been made by your Board of Selectmen, Planning Board and Town Manager regarding the proposed project of sewage disposal for the Town of Winterport.

Respectfully submitted,

HOWARD I. WEAVER

Town Manager

Spayed Females	64
Females	28
Kennels	3

Elections:

Annual Town Meeting March 20, 1967
Special State Election September 12, 1967
Special Town Meeting September 28, 1967
Special State Election November 7, 1967

Respectfully submitted,

BEATRICE L. RAYMOND

Town Clerk

HEALTH

MAINE DEPARTMENT OF HEALTH AND WELFARE

DIVISION OF PUBLIC HEALTH NURSING, BUREAU OF HEALTH

Annual Report of Public Health Nursing Services in Winterport in the year of 1967

Public health nursing is a special field of nursing that functions as part of the total public health program, for the promotion of health, the improvement of conditions in the social and physical environment, rehabilitation, and prevention of illness and disability. It is concerned chiefly with the care of well families and non-hospitalized sick persons and their families, and with health problems that affect the community as a whole. Your public health nurse supported this program in your community by visits in the home in the health interests of families, participation in a school health program and in child health conferences for examination and immunization of infants and pre-school age children. The nurse received cooperation and assistance from physicians, health council members, town officials and school personnel. Available resources were used, as indicated, to meet health needs.

Your public health nurse, a staff member of the Division of Public Health Nursing, participated in a variety of activities as presented in Table 1.

TABLE 1

Health Activity	Number of Times Nurse Served
Individual visits to persons by age	293
Infant and pre-school, 0 to 5 years	96
School, 6 to 20 years	134
Adult, 21 to 64 years	60
Geriatric, 65 years and over	3
Consultation with others	64
Conference with physician	26
Conference with school personnel	22
Conference with social worker	8
Conference with volunteer health worker	8
Participation in child health conference	6
(Number of children examined by physician — 34)	
Participation in tuberculin skin testing program	1
(Number of persons tested — 90)	
Participation in immunization program	5
Participation in Head Start Program	1
(Number of children examined — 15)	

Table 2 presents the type of immunization administered at child health conferences and school clinics and the number of doses of vaccine.

TABLE 2

Type of Immunization	Number of Doses of Vaccine Administered
<hr/>	
Poliomyelitis	386
Measles	161
Smallpox	116
Diphtheria	98
Tetanus	98
Whooping Cough	52

Your nurse extends her appreciation to the community for their support and to volunteer workers for their interest and cooperation.

Respectfully submitted,
CONSTANCE B. ALLEN, R.N.
Public Health Nurse

LOCAL HEALTH OFFICER

An unrealistic number of cases of communicable disease were reported this fiscal year. There were many more reportable but not brought to our attention in such a manner as to be reported officially. This is a poor record for us as a Town and as individuals.

Among our activities this year were the following: nominating the plumbing inspector and alternate plumbing inspector; working on the committee which formulated the dog control ordinance; writing a statistical report regarding immunization activities in the town and submitting it to the Department of Health and Welfare at Augusta and to our local Health Council; answering requests for information in a food-handling problem; making a study of zoning laws especially as they concern the disposal of household sewage and human waste; cooperating with the public health nurse in a special matter of possible unhealthful conditions; making on-site inspections and follow-up visits and check-ups regarding nuisances; meeting with public officials (local and out-of-town) to discuss sewage disposal and sludge-dumping nuisances; recommending in Town Meeting that the salary of the Health Officer remain static for the time being; answering the number of letters received and initiating some letters.

Respectfully submitted,
DOROTHEA DILLON
Local Health Officer

Tel. 223-4855
AFTER 7 PM, PLEASE.

REPORT OF WINTERPORT HEALTH COUNCIL

Alma Doe, President; Madeline Lowe, Vice-President; Rowena Kingsbury, Recording Secretary; Glenda Preston, Corresponding Secretary; Beatrice Raymond, Treasurer; Cora McLeod, Child Health Chairman; Alma Doe, School Health Chairman.

Eight Child Health Conferences were held at the Methodist Vestry. Infants and preschool children received DPT and Measles shots, Oral polio vaccine, and smallpox vaccinations as well as physical examinations.

All school children were weighed and measured, and their hearing tested by members of the Health Council. Their eyes were checked by Dr. George Lord.

In 1967 we started to give oral polio vaccine in the schools. This program will be completed in 1968.

We wish to thank Mr. Maurice Libby for the donation of a hospital bed. The Health Council appreciates such donations as it permits us to better serve the community. In addition to beds, we have crutches, wheelchairs, vaporizers and other sick room supplies which are available to the residents of Winterport.

I wish to thank Dr. Samuel Wagner and Mrs. Constance Allen, Public Health Nurse, both of whom have been most cooperative. I also wish to thank the members of the Health Council who have given so freely of their time these last several months.

The ranks of our workers have been depleted by members moving away, and going back to work. If anyone is interested in this work, where the only remuneration is a sense of well-being at having helped one's community, we will welcome such volunteers with open arms.

ALMA DOE,

President

REPORT OF FIRE DEPARTMENT

To the Citizens of the Town of Winterport, I do hereby express my thanks and appreciation for their cooperation and assistance which was given me through the past year as Chief of the Volunteer Fire Department.

We had a call for 40 fires last year namely:

- 20 Grass and Woods fires
- 2 Flooded oil burners
- 8 House and Barn fires
- 4 Chimney fires
- 1 Car fire
- 3 Calls to Frankfort
- 2 Old buildings were burned

Our new tank truck was used to haul water on two occasions.

We have elevated much time this past year for different occasions, but we never have received a Thank You or a donation for the Department. However we did receive a very nice letter from the Grade School, where we went one afternoon to demonstrate our Truck to the children during Fire prevention week.

Due to the fact that very little equipment has been purchased in the past, we definitely are in need of additional funds for this purpose, therefore we are asking for an increase in our budget for the coming year.

Respectfully submitted,

LeROY NELSON, Chief

CREIGHTON PARKER, Asst. Chief

EUGENE RITCHIE, Asst. Chief

REPORT OF THE SUPERINTENDENT OF SCHOOLS

SUPERINTENDING SCHOOL COMMITTEE

DR. SAMUEL L. WAGNER	Term expires March 1968
RAYMOND E. HILLS	Term expires March 1968
MRS. ALBIN P. TKACZ	Term expires March 1969
FORREST B. NELSON	Term expires March 1969
CLYDYE E. SOUDER	Term expires March 1970

To the Superintending School Committee, town officials and the citizens of Winterport.

It is a pleasure to give you a very brief report on the present status of your elementary school, and your secondary pupils attending Brewer High School.

The school census will give full evidence of the school population, and the financial statement is evidence of present costs of all educable pupils for this year and the year 1968-69.

The greatest educational movement accomplished in Winterport since the town was incorporated March 12, 1860 is the additional eight classrooms and combination

cafeteria-gymnasium. It will be the first building ever to house all of your pupils.

The town officials, school officials, building committee, and all who assisted in the creation of this addition are to be congratulated for their efforts to accomplish this task. It is an educational monument to the community and one you can feel justly proud of in the years to come, because you had a part in its creation.

Our next task is to provide the type of instruction we offer the children. It is most imperative that the best technique and methods used by our teaching staff will be none too good. Instructional methods have changed over the years the same as all business procedures. This is to be expected. We must adhere to some of the good from the past methods and correlate them with the good from present day methods to achieve a sound instructional program. Your children are worthy of the best we can present them. With this sound idea in mind we will achieve our goal, and get a dollar's worth of education for every dollar we spend. I feel without any reservation that our present teaching staff is conscientious and diligent, and will strive to do its utmost to maintain a well balanced program on every grade level.

1968 SCHOOL BUDGET

I am concerned as you are for the additional request of money in the new budget. The additional sum to be raised results from two large financial increases, namely teachers' salaries and increased secondary tuition costs. The first item is based upon the new state minimum salary law passed in the 102nd legislature, which governs the minimum salary we must pay all instructional personnel. This law becomes effective September 1, 1968. The second item — secondary tuition — requires more money due to increased number of pupils, and an increase in the tuition rate for our pupils attending Brewer High School. Since we are on the subject of tuition costs, we have recently been notified by the Brewer school officials that our present three year contract expires July 1, 1969, and they will not be in a position to renew it after that date. I know all parents as well as school officials are deeply concerned relative to this situation. But a way must and will be provided to alleviate this situation as soon as possible.

EXPANDED SCHOOL PROGRAM 1967-68

The present school year has expanded to include the special class which offers special instruction to fourteen pupils who were not ready for regular graded classroom assignments. It is hoped we may continue this much needed program during the years to come.

The second most worthwhile and needed program is our present Reading Program. The instruction offered to pupils assists them to overcome serious difficulties in oral and silent reading — it also includes phonetic work, and a strong emphasis on comprehension in all content reading.

The third improvement to our total school program is the assistance of two teacher aides. The two most competent teacher aides relieves regular teachers from many routine classroom duties, thereby giving all teachers more time for instructional work. The funds to pay for this service are paid entirely from government funds allocated under Public Law 89-10 Title I. A financial statement showing income and disbursements is a part of your annual school report.

In conclusion may I again express my thanks and deep appreciation to your loyal school committee who left no stones unturned to provide what we have accomplished this year.

Respectfully submitted,
STUART P. HASKELL
Superintendent of Schools

AUDITOR'S REPORT

February 26, 1968

Board of Selectmen
Winterport, Maine

Gentlemen:

Your Town auditor, Lawrence C. Neal, recently met with an accident and is now hospitalized in serious condition. It would appear that Mr. Neal will be incapacitated for an extended period of time.

Due to these circumstances, it will not be possible to complete the audit for the current year prior to your annual meeting. Arrangements are being made to ensure the completion of your audit during the next few months.

We sincerely regret this inconvenience to you and appreciate your understanding and cooperation.

Very truly yours,

MARION A. NEAL for

L. C. NEAL

TOWN WARRANT

STATE OF MAINE

COUNTY OF WALDO, ss.

To Eugene S. Ritchie, a constable of the Town of Winterport, in the County of Waldo:

GREETINGS:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the said Town of Winterport, that are qualified by Law to vote in Town affairs, to assemble at the Town Hall on Monday, March 18, 1968 at 10:00 A.M. to act on the following Articles:

Art. 1. To choose a Moderator to preside at said Meeting.

Art. 2. To see if the Town will vote to adopt the following proposal, to wit: That upon completion of action in Article 3 of this Warrant, the Meeting will adjourn to meet at the Sproul Weed Gymnasium at the LeRoy H. Smith School Tuesday March 19, 1968 at 7:30 P.M., in the evening to act upon the remaining Articles in this Warrant.

Art. 3. To choose by secret ballot according to the Revised Statutes, two members of the board of Selectmen, for a term of three years, one member of the board of Assessors for a term of three years, a Town Clerk, a Fire Chief, two members of the Superintending School Committee for a term of three years. The polls will be open at ten o'clock in the forenoon and will close at eight o'clock in the afternoon.

Art. 3-A. To see if the Town will vote to elect one Member to serve on the Budget Committee for a Term of two years and four Members to serve on the Budget Committee for a Term of three years.

Art. 4. To see what sum of money the Town will vote to raise or appropriate for the support of Elementary Schools.

Budget Committee Rec. \$63,949.05

Art. 5. To see what sum of money the Town will vote to raise or appropriate for support of Secondary Education, or act thereon.

Budget Committee Rec. \$71,500.00

Art. 6. To see what sum of money the Town will vote to raise or appropriate for the General School Account, or act thereon.

Budget Committee Rec. \$2,500.00

Art. 7. To see if the Town will vote to take from Surplus the sum of \$7,470.00, said sum to be used for the purchase of Fifteen tables for the cafeteria, for landscaping of School grounds and repairing of furnace.

Budget Committee Rec. yes.

Art. 8. To see if the Town will vote to authorize the Superintending School Committee to appoint a School Physician and provide facilities for the performance of his duties.

Art. 9. To see if the Town will vote to raise or appropriate the sum of (\$5,300.00) as 1968 payment on LeRoy H. Smith School

Budget Committee Rec. \$5,300.00

Art. 10. To see if the Town will vote to raise or appropriate the sum of (\$14,444.89) for 1968 payment to new addition to the LeRoy H. Smith School.

Budget Committee Rec. \$14,444.89

Art. 11. To see what sum of money the Town will vote to raise or appropriate for salaries of the Selectmen, Assessors and Health Officer.

Budget Committee Rec. \$1,110.00

Art. 12. To see what sum of money the Town will vote to raise or appropriate for Administrative Town Expenses.

Budget Committee Rec. \$13,000.00

Art. 13. To see what sum of money the Town will vote to raise or appropriate for its Town owned Fire Department for maintenance and equipment.

Budget Committee Rec. \$2,500.00

Art. 14. To see what sum of money the Town will vote to raise or appropriate for Street Lighting Service.

Budget Committee Rec. \$2,000.00

Art. 15. To see what sum of money the Town will vote to raise or appropriate for Hydrant Rental.

Budget Committee Rec. \$4,972.56

Art. 16. To see what sum of money the Town will vote to raise or appropriate to pay its Town Constables.

Budget Committee Rec. \$800.00

Art. 17. To see if the Town will vote to accept the provisions of the Workmens Compensation Act.

Rec. Yes

Art. 18. To see what sum of money the Town will vote to raise or appropriate for Workmens Compensation Insurance on employees that are employed by the Town.

Budget Committee Rec. \$200.00

Art. 19. To see what sum of money the Town will vote to raise or appropriate for its share of the cost of the Social Security Plan.

Budget Committee Rec. \$1,500.00

Art. 20. To see what sum of money the Town will vote to raise or appropriate for maintenance of Town Dump.

Budget Committee Rec. \$400.00

Art. 21. To see what sum of money the Town will vote to raise or appropriate for maintenance of Town Sewers.

Budget Committee Rec. \$600.00

Art. 22. To see what sum of money the Town will vote to raise or appropriate for Highways and Bridges.

Budget Committee Rec. From Surplus \$5,000.00

Art. 23. To see what sum of money the Town will vote to raise or appropriate for Snow Removal, Sand and Equipment.

Budget Committee Rec. \$4,000.00

Art. 24. To see if the Town will vote to appropriate from Current Excise Tax Income the sum of \$10,000.00 to supplement the amounts raised for Snow removal, Sand and Equipment.

Budget Committee Yes.

Art. 25. To see what sum of money the Town will vote to raise or appropriate for State Aid Construction, in addition to the amounts raised for the care of Highways and Bridges, under the provisions of Sections 44-49-50, Chapter 23, R. S. 1954.

Budget Committee Rec. \$1,596.99 From Surplus.

Art. 26. To see what sum of money the Town will vote to raise or appropriate for Tarring Village Streets and Roads.

Budget Committee Rec. From Surplus \$2,500.00

Art. 27. To see what sum of money the Town will vote to raise or appropriate for maintenance of Town Sidewalks.

Budget Committee Rec. \$300.00

WINTERPORT
MAINE

CONGREGATIONAL CHURCH

FOR THE MUNICIPAL YEAR
1968-1969

CONGREGATIONAL CHURCH OF WINTERPORT

On the cover of your report is an old picture of the Congregational Church of Winterport - a structure that dominates our town, our first church building, and a monument to the religious dedication, the will and the determination of those early citizens who have preceded us.

It was constructed in the early 1830's; the dedicatory service was held in 1834. Known and designated originally as the Union Meeting House, the building was built and financed by a society comprised of Methodists, Quakers, Unitarians, Congregationalists, Universalists and Episcopalians, whose purpose it was to join hands and build a church. Prior to this time - about 1820 - Protestant services were held around and about the village, in the school house and in the barns and homes of various public spirited and religious townspeople. It is probable that among the leading forces in the movement to erect the church was the Methodist Society; this organization had been active in the area since 1793, and the congregation here in Frankfort - as the town was then known - had become the strongest and most active on the Penobscot Circuit.

Some years later the Methodists, having experienced a substantial increase in their membership, determined to organize a church of their own. This, coupled with a disagreement between them and the other denominations participating in the Union Meeting House, led to their departure in 1850, to form their own congregation and build the church that is in use to this day. It was in the same year, 1850, that the building ceased to be known as the Union Meeting House and became the Congregational Church.

The bell in the belfry was giving by Mr. Benjamin Bussey, a man of wealth from Roxbury, Massachusetts whose interest in the church was stimulated by Mrs. Benjamin Shaw of Frankfort; this generous gift was made sometime in the years 1830-1839. The bell is large and bears the marking "Revere Boston", it having been cast by the firm founded by Paul Revere. There were about 400 Revere bells cast between 1792 and 1839 and of these only 112 are known to still exist. The bell in the old church thus is a unique and most valuable relic of early America.

The clock in the steeple, with its four faces, was installed in 1861. It was manufactured by E. Howard Company of Waltham, Massachusetts and, like the bell, can be regarded as an authentic antique with its old and interesting works still functioning. The money needed to purchase the clock was raised locally the resourceful and devoted church members.

(more about the church on inside of back cover)

LETTER OF TRANSMITTAL

To the Citizens of Winterport:

Although I have only been your Town Manager for a half year, it gives me pleasure to submit this 107th Annual Report of the Municipal Officers, for the year ending January 31st, 1969.

At this time, I wish to call to your attention, the subject of discount on Taxes. Perhaps we should review this, to see if it is doing economically the job for which it was intended. Last year you raised at your Annual Town Meeting the sum of two thousand five hundred dollars (\$2,500.00), for this purpose and a discount was given at the rate of three percent (3%), for a period of one month, after the Taxes were committed to the collector, exclusive of all Poll Taxes. A little over ninety four thousand dollars (\$94,000.00), was collected during the one month discount period. The cost of the discount to the Town was two thousand eight hundred thirty-eight dollars and sixty-six cents (\$2,838.66). Keeping in mind the above figures, let's see what it would have cost to borrow this money. After checking with a bank, it was found the interest rates were approximately four and one-half percent ($4\frac{1}{2}\%$), per annum. This would mean three hundred forty four dollars and seventeen cents (\$344.17), in interest per month, on ninety four thousand dollars (\$94,000.00), and if this amount was paid back in six months, the amount of interest would be two thousand and sixty five dollars (\$2,065.00). This indicates a substantial saving.

Let's view this another way. To raise two thousand five hundred dollars (\$2,500.00), it represents approximately (1) mill of your Tax Rate. If the valuation of your property is five thousand dollars (\$5,000.00), your tax last year was four hundred and ten dollars (\$410.00). This means the discount cost you five dollars (\$5.00), and if

the valuation of your property was ten thousand dollars (\$10,000.00), the discount cost to you was ten dollars (\$10.00), etc.

In conclusion, even by giving a discount of three percent (3%), the unpaid Tax picture is as follows over the past three years: 1966, 13 per cent, 1967, 15 per cent and 1968, 12 percent unpaid. I of course realize there are other views on the subject, therefore these particular views are submitted for informational purposes only.

My sincere thanks to the Town Officials, elected or appointed, and the residents for the cooperation shown me during the past six months.

Respectfully submitted,
ROBERT H. BARTLETT
Town Manager

REPORT OF TOWN CLERK

To the citizens of the Town of Winterport:

Vital Statistics:

Total number of Marriages	38
Total number of Births	31
Total number of Deaths	23

Dog Licenses issued:

Male Dogs	91
Spayed Female Dogs	54
Female Dogs	19
Kennels	3

Elections:

- Annual Town Meeting March 18, 1968.
- Special Town Meeting July 2, 1968.
- Primary and Special Election June 17, 1968.
- General Election November 5, 1968.

Notice to Dog Owners:

Owners or keepers of dogs FOUR months old or over must procure a license annually before January 1. Dogs becoming four month of age after Jan. 1, do not have to be licensed until the following year. Any person becoming the owner or keeper of a dog after the first day of January not duly licensed as required, shall, within 10 days after he becomes the owner or keeper of said dog, cause said dog to be described and licensed.

Licensing fees to dog owners:

Male	\$ 1.50
Spayed Female	1.50
Female	5.50
Kennels (10 Dogs)	10.50
Kennels (over 10)	20.50

Respectfully submitted,
BEATRICE L. RAYMOND
Town Clerk

HEALTH

LOCAL HEALTH OFFICER

This year there were reported very few cases of communicable diseases. An attempt to rally up a rabies clinic for pets was unsuccessful.

Complaints and appeals regarding littering and dumping of wastes were channeled to law enforcement offices. A problem of odor and odor control from management of excessive dairy wastes is under consideration in cooperation with the State Department of Agriculture.

A possibly unsanitary situation in a food handling case was improved through the efforts of the owner.

The plumbnig inspector and alternate plumbing inspector were appointed.

A number of cases of malfunctioning sewage disposal units and illegal open sewage runoff from existing dwellings were investigated on site, recommendations made and follow-up visits completed. These nuisances were abated.

Investigation and recommendation in cases of improper disposal of animal carcass or carcasses resulted in abatement of nuisances.

The number of communications received from health offices and others were studied and acknowledged.

Respectfully submitted,
DOROTHEA DILLON
Health Officer

Maine Department of Health and Welfare
Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Services in
Winterport In the Year of 1968

Your public health nurse, a member of the staff of the Division of Public Health Nursing, submits her report of nursing services given to individuals, families and community groups in Winterport during the year 1968. Referrals for these services were received from individuals, families, physicians, school personnel, health committee members and various other sources. The types of health problems varied; the services provided, therefore, varied in accordance to the needs. They included nursing care of the sick and handicapped patients, health supervision and consultations.

A total of 175 direct visits were made to persons in their homes. Seventy-seven conferences were held with physicians, school personnel, town officials, social workers and health committee members in behalf of individual patients or health programs.

Your nurse planned child health conferences with the assistance of your health council. Seven child health conferences and one immunization clinic were held. Infants and pre-school age children not under the supervision of a private physician were invited to attend. Each child was offered a physical examination and necessary immunization by Samuel Wagner, M.D. The nurse discussed the child's health with the parents.

Your nurse gave consultation to school personnel regarding individual students. She assisted the health council in the planning and management of the school health program, which includes visual and auditory testing of all students, tuberculin skin testing in selected grades and immunization clinics. Health histories on entering school children were obtained by your nurse and members of the health council.

Your nurse assisted patients and families to carry on the regime of care prescribed by their physician.

All immunizations given in the various programs are summarized as follows:

Type of Immunization	Number of Children Immunized
Polio (Oral Trivalent)	225
Smallpox	111
Diphtheria, Pertussis, Tetanus	58
Diphtheria, Tetanus	56
Measles	29

Appreciation is extended to the health council for their volunteer help and to the community for their support.

Respectfully submitted,

CONSTANCE B. ALLEN, R.N.

Public Health Nurse

REPORT OF WINTERPORT HEALTH COUNCIL

Alma Doe, President; Madeline Lowe, Vice President; Rowena Kingsbury, Recording Secretary; Glenda Preston, Corresponding Secretary; Beatrice Raymond, Treasurer; Cora MacLeod, Child Health Chairman; Alma Doe, School Health Chairman.

Eight Child Health Conferences were held at the Methodist Vestry. All were well attended. Infants and pre-school children were given DPT and measles shots, Oral polio vaccine, and smallpox vaccinations, as well as physical examinations.

All school children were weighed and measured and their hearing tested by members of the Health Council. The Health Council also assisted Dr. Wagner and Mrs. Allen in the school clinics at which the students received DT shots, oral polio vaccine, and vaccinations. Their eyes were checked by Dr. George Lord.

The Health Council has sickroom supplies which are available to residents of Winterport. Among these are hospital beds, crutches, wheelchairs, vaporizers and like supplies. One of our wheelchairs became lost when the borrower moved from town without returning it. We have purchased one to take its place from the funds voted by the town. We have also purchased from these funds a commode as we received several calls through the year from residents for the use of one for persons who had returned home from the hospital and could not climb stairs to bathrooms.

Dr. Samuel Wagner and Mrs. Constance Allen, Public Health Nurse, have been most cooperative in our work, and members of the Health Council have always responded when called upon.

For the last two or three years it has been rumored about the town that the members of the Health Council who work the Child Health Conference and the School Clinics get paid for this work. I wish to state that all monies appropriated by the town are used for medicines and medical supplies and no part of it is ever paid to any member of the Health Council. Even if it is necessary to travel out into the country to bring a mother and child and/or children into the pre-school clinic, the mileage is donated by the person who provides the transportation. All work done by the Health Council is donated by its members because we feel that the town needs this service and some one must do it, but it is frustrating to give of one's time several times a year and then be told we are doing it for the pay we receive.

Planning Board meetings are held on the second Thursday of each month in the Town Office at 7:30 P.M. The Board welcomes interested citizens at its meetings, and suggestions or ideas pertinent to its task of working for the growth of the town.

A committee, headed by Richard Woolford, is meeting weekly to prepare a long range comprehensive plan for Winterport. Prior to the appointment of this committee,

the Board has studied Planning and Zoning Legislation at the State level; comprehensive plans of other towns of comparable size and situations to our town.

Joint meetings have been held from time to time with the Selectmen to discuss current and urgent problems facing the town, namely: the increase in water rates; requirements for sewage treatment facilities. Mr. Bernier, Treasurer of the Water Company, spoke with the group regarding the former item and Mr. William Ryan of the James Sewell Company, on the latter question.

The Board is asking for the support of the town in favor of the article in the Town Warrant regarding membership in a Regional Planning Board. One of the immediate advantages of belonging to the group is that Winterport would then be eligible for additional funds for sewage treatment facilities.

Respectfully,

LEWIS LIBBY, Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

SUPERINTENDING SCHOOL COMMITTEE

MRS. ALBIN P. TKACZ	Term Expires 1969
MR. FORREST B. NELSON	Term Expires 1969
MR. CLYDE E. SOUDER	Term Expires 1970
MR. BERNARD M. SIMPSON	Term Expires 1971
MR. FRANCIS B. SPRAGUE	Term Expires 1971

To the Superintending School Committee, Town Officers and Citizens of Winterport:

I submit herewith my annual report on the educational system and the costs to the taxpayers who provide it for their children.

The school population, both elementary and secondary, class size, etc. are reported elsewhere in this report. Some thought and consideration should be given to the numbers of pupils in each division in the elementary classes, especially in the kindergarten and lower grades. All divisions in the school are above the optimum number recommended by the State Dept. of Education as a number that can be effectively taught. Especially is this true in the lower grades where the foundations for success in middle and upper grades are laid.

Your School Committee and Superintendent are already contacting schools in nearby towns to try and provide a place for the secondary pupils for another year. Last spring we were notified that Brewer High School could no longer educate our secondary pupils because of increased enrollments in their own community, although they did tell us that they would care for our pupils in Grade 12, thus permitting that class to graduate from the school where they had entered.

In addition to the improvements in the curriculum that were made last year we have this year added a full time physical education instructor to our staff. It was understood at the time this decision was made that federal funds under P.L. 89-10 would be made available to cover the cost of the program. However, after this program was put into operation it was learned that federal funds would not finance it since it provided for more than those pupils who were economically deprived. We were able to put our special reading program under this Title 1 Act and it is being financed entirely, including all materials from federal money at no direct cost to the taxpayer.

A yearly program of group and individual testing has been set up whereby intelligence tests are given annually to all pupils in grades one, four and seven. Achievement tests are administered annually to all pupils in grades three through eight. This program permits us to determine the effectiveness of our teaching program when compared with other schools. Individual psychological tests are given whenever the need is determined by the teachers and the administration. These tests are administered by a person who has had special training in testing techniques. The results of these tests give us the best possible measure of a child's potential and ability. Last fall fifteen children were tested under this program and the results showed that some changes in grade placement needed to be made, and this was done.

That our custodians are doing an excellent job in caring for our school plant can be attested to by the fact that we were commended by the Maine School Building Authority for the excellent condition of our school plant.

As complete a maintenance program as money will allow is carried out each summer. This year, upon inspection by the State Boiler Inspectors, it was determined that the heating plant at the Leroy H. Smith School had deteriorated to the point where a certificate could not be issued for its safe operation. A meeting was held with the selectmen and authorization was given to replace the

existing boiler and to purchase a larger fuel tank that we might secure a more favorable price on our fuel purchases.

Painting within the classrooms and corridors was done to the extent that time and money would permit and it is planned to continue this program this coming year. Considerable work was also accomplished to improve the parking and play areas around the school. A very special thanks is given to those interested persons who gave so generously of their time to set up the playground equipment purchased with money from the Charles Green Fund.

The increase in the numbers of dollars requested in the school budget this year can be attributed largely to two items—teachers salaries, and higher tuition costs. The salary schedule adopted this year is no more than competitive with the schedules in towns around us. The fact that we must be competitive with the communities in our immediate area must be borne in mind at all times and taken into consideration every time that we employ teachers, or we will find ourselves “scraping the bottom of the proverbial barrel” and hiring individuals who are not capable of giving our children a quality education.

Secondary education, the second item to cause a sizable increase in the appropriation for schools is one over which we have no control and we must accept it as readily as we accept the rising costs of living. The one fact of which we can be certain is that no community is going to increase the cost of the educational program to its citizens unless that cost can be justified in terms of an improved educational program.

In conclusion may I express my sincere appreciation to the Superintending School Committee for their devoted efforts in making this school year a successful one. This community is indeed fortunate to have such dedicated people interested in the welfare of all the children.

Respectfully submitted,
GWYETH T. SMITH
Superintendent of Schools

 BEATRICE L. RAYMOND
 Town Clerk

HEALTH

LOCAL HEALTH OFFICER

This year there were reported very few cases of communicable diseases. An attempt to rally up a rabies clinic for pets was unsuccessful.

Complaints and appeals regarding littering and dumping of wastes were channeled to law enforcement offices. A problem of odor and odor control from management of excessive dairy wastes is under consideration in cooperation with the State Department of Agriculture.

A possibly unsanitary situation in a food handling case was improved through the efforts of the owner.

The plumbing inspector and alternate plumbing inspector were appointed.

A number of cases of malfunctioning sewage disposal units and illegal open sewage runoff from existing dwellings were investigated on site, recommendations made and follow-up visits completed. These nuisances were abated.

Investigation and recommendation in cases of improper disposal of animal carcass or carcasses resulted in abatement of nuisances.

The number of communications received from health offices and others were studied and acknowledged.

Respectfully submitted,

DOROTHEA DILLON

In addition to the improvements in the curriculum that were made last year we have this year added a full time physical education instructor to our staff. It was understood at the time this decision was made that federal funds under P.L. 89-10 would be made available to cover the cost of the program. However, after this program was put into operation it was learned that federal funds would not finance it since it provided for more than those pupils who were economically deprived. We were able to put our special reading program under this Title 1 Act and it is being financed entirely, including all materials from federal money at no direct cost to the taxpayer.

A yearly program of group and individual testing has been set up whereby intelligence tests are given annually to all pupils in grades one, four and seven. Achievement tests are administered annually to all pupils in grades three through eight. This program permits us to determine the effectiveness of our teaching program when compared with other schools. Individual psychological tests are given whenever the need is determined by the teachers and the administration. These tests are administered by a person who has had special training in testing techniques. The results of these tests give us the best possible measure of a child's potential and ability. Last fall fifteen children were tested under this program and the results showed that some changes in grade placement needed to be made, and this was done.

That our custodians are doing an excellent job in caring for our school plant can be attested to by the fact that we were commended by the Maine School Building Authority for the excellent condition of our school plant.

As complete a maintenance program as money will allow is carried out each summer. This year, upon inspection by the State Boiler Inspectors, it was determined that the heating plant at the Leroy H. Smith School had deteriorated to the point where a certificate could not be issued for its safe operation. A meeting was held with the selectmen and authorization was given to replace the

existing boiler and to purchase a larger fuel tank that we might secure a more favorable price on our fuel purchases.

Painting within the classrooms and corridors was done to the extent that time and money would permit and it is planned to continue this program this coming year. Considerable work was also accomplished to improve the parking and play areas around the school. A very special thanks is given to those interested persons who gave so generously of their time to set up the playground equipment purchased with money from the Charles Green Fund.

The increase in the numbers of dollars requested in the school budget this year can be attributed largely to two items—teachers salaries, and higher tuition costs. The salary schedule adopted this year is no more than competitive with the schedules in towns around us. The fact that we must be competitive with the communities in our immediate area must be borne in mind at all times and taken into consideration every time that we employ teachers, or we will find ourselves “scraping the bottom of the proverbial barrel” and hiring individuals who are not capable of giving our children a quality education.

Secondary education, the second item to cause a sizable increase in the appropriation for schools is one over which we have no control and we must accept it as readily as we accept the rising costs of living. The one fact of which we can be certain is that no community is going to increase the cost of the educational program to its citizens unless that cost can be justified in terms of an improved educational program.

In conclusion may I express my sincere appreciation to the Superintending School Committee for their devoted efforts in making this school year a successful one. This community is indeed fortunate to have such dedicated people interested in the welfare of all the children.

Respectfully submitted,
GWYETH T. SMITH
Superintendent of Schools

AUDITOR'S REPORT

February 21, 1969

Board of Selectmen
Winterport, Maine

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended February 1, 1969.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceding year.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,
EARL E. RICHARDSON
Public Accountant

C O M M E N T S

Town of Winterport

January 31, 1968 to January 31, 1969

An audit of the financial records of the town of Winterport has been completed for the fiscal year ended January 31, 1969. The audit consisted of an examination of the records maintained under the supervision of the town manager and municipal officials.

The operations for the year showed that the net unexpended balances amounted to \$1,019.93 per the following summary:

Departmental Operations:

Unexpended balances	\$ 7,443.25
Overdrafts	6,423.32
	<hr/>
Net unexpend. bal.	\$ 1,019.93

The overlay was the major factor contributing to the unexpended balance lapsed to surplus.

The following comments pertain the accompanying financial statements and to scope of audit.

ASSETS — The general cash balance of \$31,856.44 was on deposit at The Merchants National Bank of Bangor, Maine at January 31, 1969, except for \$18,012.23 which was in transit and deposited on February 4, 1969. Office funds of \$300.00 was on hand.

Accounts receivable amounted to \$401.95 consisting of \$232.49 reimbursable expenditures made for state and other town welfare recipients and \$169.46 miscellaneous receivables listed in schedule 2.

Taxes receivable totaling \$31,849.63 consisted principally of current year accounts of \$26,099.29. The remaining balance of \$5,750.34 was for unpaid accounts dating back to 1959 for which a reserve for loss of \$1,748.99 is carried in the balance sheet. Tax liens amounted to \$4,738.43 and tax acquired property \$4,129.56.

LIABILITIES, RESERVES and SURPLUS — The unappropriated surplus amounted to \$89,638.45 a decrease of \$9,635.37. The change was occasional principally by the voter authorized transfers for current operations less the net unexpended balances lapsed.

DEBT FUND — The debt fund incorporated in the balance sheet as a separate fund reflected the outstanding municipal building construction notes of \$161,500.00.

TRUST FUND — Trust fund principals totaled \$9,365.40 and unexpended income of \$12,284.84. These funds are invested in time deposits at the Penobscot Savings Bank and Bangor Savings Bank both in Bangor, Maine.

SCOPE OF AUDIT — Count of cash was made and reconciled with current recorded receipts. The system of internal control was reviewed as pertaining to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the Treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls, and cancelled checks supporting expenditures were checked for a selected period.

The Valuation book was added and compared to the Commitment records of the Tax Collector. Uncollected taxes were verified by external verification on a test basis.

The records of the annual town meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the Town on January 31, 1969 and the results of its operations for the year ended.

TOWN WARRANT

STATE OF MAINE

COUNTY OF WALDO, ss.

To Eugene S. Ritchie, a constable of the Town of Winterport, in the County of Waldo:

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Winterport, in said county, qualified by law to vote in town affairs, to meet at the Winterport Town Hall, in said town, on Monday, the 17th day of March, A.D., 1969, at ten o'clock in the forenoon, then and there to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the Town will vote to adopt the following proposal, to wit: That upon completion of action in Article 3 of this Warrant, the Meeting will adjourn to meet at the Sprowl-Weed Gymnasium at the LeRoy H. Smith School Tuesday March 18, 1969 at 7:30 P.M., in the evening to act upon the remaining Articles in this Warrant.

Art. 3. To choose by secret ballot according to the Revised Statutes, two members of the board of Selectmen, for a term of three years, one member of the board of Assessors for a term of three years, two members of the Superintending School Committee for a term of three years, a Town Clerk, for a term of one year, a Fire Chief, for a term of one year. The polls will be open at ten o'clock in the forenoon and will close at eight o'clock in the evening.

Art. 4. To choose four members to serve on the Budget Committee for a term of three years.

Art. 5. To see if the town will vote to remove the Fire Chief from the Secret Ballot method of election of town officers in accordance with (MRS, T 30, s2061.)

Art. 6. To see what sum of money the Town will vote to raise or appropriate for Elementary and Secondary Education.

Budget Committee Rec. \$154,174.80

To see whether or not the Town will vote to raise or appropriate the sum of One Hundred Fifty Dollars (\$150.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Not recommended by the Budget Committee.

Art. 42. To see if the Town will vote to accept the following Ordinance: to preserve Elm Trees and to prevent the spread of Dutch Elm Disease.

Be it ordained by the Municipal Officers of the Town of Winterport:

Section 1. Statement of Policy. It is hereby declared to be against the public interest for any person, firm or corporation owning or occupying land within the Town of Winterport

A. To maintain on such land any elm tree infected with Dutch Elm Disease; or

B. To fail to remove diseased, dead or dying elm trees, or parts thereof growing on such land; or

C. To save elmwood for fuel or for any other purpose.

Section 2. Detection. The municipal officers of the Town of Winterport or their designated agents, are hereby authorized to enter upon any land within the Town of Winterport for the purpose of detecting Dutch Elm Disease and carrying out control measures.

Section 3. Control. If any diseased, dead or dying elm tree within the Town of Winterport is found or if parts of elm trees or cut elm wood is found then both the owner and the occupant of the land, shall be requested by notice in writing as provided below to remove and destroy said

diseased, dead or dying elm trees or elm wood. In the event that the requested action is not taken within 14 days after notice, then said municipal officers or their agents are hereby authorized to enter, remove and destroy the diseased, dead or dying elm trees or wood. In case where failure to act immediately would result in extreme danger to other elm trees, the said municipal officers or their agents are authorized to remove and destroy the diseased, dead or dying elm trees or elm wood immediately upon giving notice.

Section 4. Notice. Notice in writing shall be given to both the owner and the occupant of the land by one or more of the following methods:

A. In hand.

B. Mail, properly stamped, posted and addressed to the last known residence of such owner or occupant.

C. Publication for two successive weeks in an local Newspaper. Said Notice shall be in form as follows:

NOTICE

Date

1. elm tree (s) on land owned or occupied by you at

() are diseased, dead or drying.

() have dead wood which serves as a breeding place for insects which spread Dutch Elm Disease.

2. By authority of the Dutch Elm Disease Ordinance of the Town of Winterport drawn by the authority of . . . (Title 30, M.R.S.A., Sections 2151 and 5105) . . you are hereby requested to remove and destroy said

() diseased, dead or dying elm trees

() dead elm wood

3. You are further notified that if you do not take the requested action within 14 days, the municipal officers of the Town of Winterport or their agents are authorized to enter upon said land and remove and destroy said diseased, dead or dying elm trees and/or elm wood.

Town of Winterport

Signed by

Its Authorized Agent

Section 5. Appropriations. Municipal Officials of the Town of Winterport are hereby authorized to employ such moneys appropriated by the inhabitants of the Town of Winterport at any lawful meeting as are necessary to carry out the provisions of this ordinance.

Section 6. Repeal of Inconsistent Ordinances. All ordinances, or parts of ordinances of said Town of Winterport inconsistent with the foregoing ordinance are hereby repealed.

Section 7. Effect of Partial Invalidity. Should any section, or part thereof, of this ordinance be declared to be invalid, for any reason, the same shall not affect the validity of the ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

Signature

Date

Art. 43. To see what sum of money the Town will vote to raise or appropriate for the prevention and spread of Dutch Elm Disease.

Budget Committee Rec. \$1,000.00

Art. 44. To see if the Town will vote to accept a pledge of \$500.00 to be given in the year 1969, from Hulbert W. Tripp and the said sum to be expended for the purpose of providing an Ice Skating area for the Children.

Recommended: Yes.

Art. 45. To see if the Town will set a minimum amount of money, to be considered for acceptance, for perpetual care of cemetery lots.

Recommended amount to be not less than \$300.00.

Art. 46. To see if the Town will vote to give a discount for prompt payment of Taxes; to fix the rate of discount and the time when discount shall cease.

Art. 47. To see what sum of money the Town will vote to raise or appropriate for discount of 1968 taxes.

No amount Recommended.

Art. 48. To see if the Town will fix a date when taxes shall be due and payable and to see if the Town will fix a rate of interest to be charged on taxes unpaid after said date.

Recommendation: That "one-half percent per month or part thereof after the 30th day of September."

Art. 49. To see if the town will vote to form a Civil Defense District as provided by 1964 R.S. of Maine title 30, SS. 1952 and 1953 and under the following agreement with County.

- A. That the town and County Civil Defense agencies will operate under one plan and that in an emergency affecting the town mutual assistance will be given to implement the plan.
- B. That program and progress reports of county will include the town and that one report will be filed to cover the county and all towns in the Civil Defense District

- C. That all paper work so called will be done by the county agency and will include each town in the Civil Defense District and shall be done as one.
- D. That all other Civil Defense Functions will remain in their present status.

Art. 50. To see if the Town will authorize the Selectmen to file applications to the Water & Air Environmental Improvement Commission of the State of Maine, and to the Federal Water Pollution Control Administration for grants-in-aid of construction of Pollution Abatement Facilities as outlined in the 1967 preliminary report to the Town by James W. Sewall Company.

Art. 51. To see if the Town will authorize the Selectmen to borrow funds as necessary to cover the Town's share of the cost of Pollution Abatement facilities.

Art. 52. To see if the Town will authorize the Selectmen to acquire the site for the sewage treatment plant and the necessary access thereto.

Art. 53. To see if the Town will authorize the selectmen in behalf of the Town to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they may deem advisable, and to execute quit-claim deeds for such property.

Art. 54. To see if the Town will vote to authorize the Selectmen on behalf of the Town, to appoint any and all necessary Town Officers required by Law, and not chosen by Voters at Annual Town Meeting.

The Registrar of Voters or Deputy Registrar of Voters will be in the Town Office on March 12th, 13th, and 14th, from 9:00 A. M. to 5:00 P. M.

Given under our hands this 28th day of February,
A. D., 1969.

Constable of

For decades the church was active and prospered as Winterport and the whole Penobscot area prospered. But in more recent years it has ceased to function as an active place of worship and now stands idle and unused.

Like all abandoned buildings this old church becomes the natural target of vandals and the legitimate prey of weather and disuse. Fortunately there have been a few interested and concerned people of Winterport who, in the recent past, have carried out a minimum of upkeep. This has been done on an individual basis and with no support from any local organization. Were the citizens of Winterport to permit the certain deterioration and ultimate ruin of this historic landmark, we will have lost one of our most treasured assets.

There are few left amongst us who have attended regular services in the old church. But one only has to read the histories and the old letters and newspaper articles to appreciate the vital role the church had in this community and the deep affection that many people had for it. One of these was Miss Ethel Baker the daughter of Dr. John Henry Baker a dentist who practiced here from 1882 until 1915. In 1927 Miss Baker wrote a poem about the church titled "The Church Lane".

Here are the closing lines of her poem:

Alone it stands through all its silent days
And dreams of folk it served long years ago.
I never pass it unheedingly
I like its peace and dignity.

ANNUAL REPORT
OF THE Municipal Officers
OF THE TOWN OF
WINTERPORT
Maine

FOR THE MUNICIPAL YEAR

1969

NINETY-NINE YEARS, AGO, on September 21, 1871, the monument standing in our cemetery and pictured on the cover of this report, was dedicated.

It was a memorial to those thirty-five men of Winterport who gave their lives in defense of the Union in the years 1861-1865 and to those other soldiers and sailors of our town who survived the four years of grim civil war.

This monument and the ground it stands on was given to the Town by Mr. Theophilus Cushing, a prominent and patriotic citizen of Winterport. He had been appointed Collector of the Port of Winterport by Abraham Lincoln in 1861 and he owned and operated a large lumber mill that was located at the foot of Holmes Street on the river. His home still stands on Cushing Street.

The Hallowell Granite Company of Hallowell, Maine manufactured the foundation and the thirty-three foot shaft. It was shipped here by vessel and teams of oxen hauled it from the wharf to the cemetery.

Great crowds—it was reported by THE BANGOR DAILY WHIG AND COURIER that there were five thousand in attendance—had come from all around the state to be present at the dedication of the monument. The Governor of the State and his staff, along with the Mayor of Bangor and other city officials came down the river on the FAIRY OF THE WAVE; militia companies, and a number of bands were present and a thirty gun salute was fired by Captain Downs' Battery of Artillery from Bangor.

The speaker of the day was Colonel Thomas Wentworth Higginson. He was then a national figure. A Massachusetts man, a prominent and militant abolitionist, he was, during the Civil War, appointed commanding officer of the first negro regiment to be made part of the United States Army.

Following the hour long address by Colonel Higginson, Mr. Cushing formally presented the monument to the town of Winterport. It was accepted on behalf of the townspeople by the Chairman of the Board of Selectmen, Mr. Elisha C. Arey.

Mr. Cushing expressed this thought about the monument:

"It has been erected in the hope also, that as the young men of coming generations cluster around this monument, and look upon its honorable records and remember the costly sacrifices of blood and treasure that the preservation of this Republic has cost, they may be inspired to a high and ardent love of country, to a more dedicated patriotism."

LETTER OF TRANSMITTAL
YEAR 1969

To the Citizens of Winterport:

It is with pleasure I submit to you this 108th Annual Report for the year ending December 31, 1969.

I would like to take this opportunity to thank Mr. Hubert W. Tripp and Mr. Forrest E. Smith for their generous contributions to the town. As many of you know, Mr. Tripp provided the funds for the construction of the Ice Skating area at the corner of Whig and Elm Streets, and Mr. and Mrs. Smith donated the land to the town for this purpose. Due to the type of weather conditions we have experienced this winter ice skating was at a peak and enjoyed by many. Although the project isn't quite completed, hopefully this will be done soon.

I wish to thank the Board of Selectmen, and all other elected and appointed town officials and the citizens for their cooperation and understanding shown during the past year.

Respectfully submitted,

ROBERT H. BARTLETT,

Town Manager

TOWN MEETING

THIS IS YOUR TOWN!

THIS IS YOUR MEETING!

YOU WILL CHOOSE PERSONS WHO WILL REPRESENT YOU.

CHOOSE THEM WISELY AND THEN HAVE FAITH IN THEM.

THINK NOW! SPEAK AT TOWN MEETING.

A FEW WELL THOUGHT OUT WORDS, WITHOUT PERSONAL APPLICATION, BUT FOR THE GOOD OF ALL, SPOKEN AT THIS MEETING, WILL BE OF MORE VALUE THAN MANY WORDS SPOKEN IN CRITICISM TOMORROW.

 Special Town Meeting June 16, 1969
 Special Town Meeting Dec. 8, 1969
 Special State Election Nov. 4, 1969

Respectfully submitted,

BEATRICE L. RAYMOND

Town Clerk

HEALTH

LOCAL HEALTH OFFICER

This year very few communicable diseases were reported from our Town of Winterport. O! yes when first the youngsters come home from school with a yellow notice to Mother that it's required by law to report to the local health officer my phone is busy. I would say in fact that our Town must surely have reached the epidemic point. This all fades quickly as the yellow slip is misplaced—the name and phone no. of your local health officer is forgotten, all is quiet at my home, thus all Winterport must be in top health! Sorry as a Town we are failing to do what is our duty—simply to report name, date and disease. Let's do better in 1970. Please phone 223-4823 when a member in your family contracts any communicable disease.

Complaints were many and all problems were investigated and are under consideration or have been corrected.

All correspondence has been answered as received.

Mr. George Ritchie and Mr. John Birmingham were appointed as our plumbing inspectors.

Respectfully submitted,
DOROTHEA MCGURKIN
Health Officer

REPORT OF THE WINTERPORT HEALTH COUNCIL

President: Madeline Lowe; Vice President: Eleanor Connors; Treasurer: Beatrice Raymond; Recording Secretary: Esther Ellingwood; Corresponding Secretary: Glenda Preston.

Committee Chairmen—School Health Conf.: Alma Doe; Child Health Conf.: Cora McLeod; Ways and Means: Luena Kingsbury; Publicity: Esther Ellingwood; Education: Maxine Lowe.

The Health Council held seven (7) Well-Baby clinics. DPT Shots and Sabin Oral Polio were available as well as Smallpox and Measle Vaccinations, and Physicals for all pre-school children. These clinics were held in the Methodist Church Vestry. Each child was weighed and measured at each clinic.

After school opened this fall, all children from K-3rd grades, were weighed and measured. Grades 4-8 were given physicals by Dr. Wagner. There were two school clinics, DT shots and Sabin Oral Polio were given, as well as Vaccinations if needed.

We would like to express our thanks to Dr. Samuel Wagner and Mrs. Connie Allen, who have helped us so much in this past year. Also many thanks go to the teachers and the principal for their cooperation in our school program.

In our Sick-Room Closet, we now have hospital beds; wheelchairs, vaporizers, crutches and other sick room supplies, available to families needing them. These supplies are on loan to families in Winterport, free of charge. All we ask is to please return them when finished with them so another family might be able to use them.

Respectfully

MADELINE LOWE, President

Winterport Health Council

Maine Department of Health and Welfare
Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Services in
Winterport in the Year 1969

Your public health nurse, a member of the staff of the Division of Public Health Nursing, submits her report of nursing services provided in Winterport for this year. She has endeavored to fulfill the purposes of public health nursing. These purposes are: the promotion of health; the prevention of disease; the provision of nursing services to the sick at home, including restorative and rehabilitative nursing.

The activities your public health nurse participated in to achieve these purposes were: one hundred sixty-four home visits, and forty-four supportive visits to physicians, hospital personnel and social workers for health promotion and nursing care given under the supervision of a physician; six child health conferences for medical and nursing supervision of well pre-school children, the prevention of disease by immunization, and the detection of disease; and the school health program for continuing care. She assisted the families and private physicians to obtain specialized care found necessary as a result of all examinations.

The school health program consisted of: twenty-one conferences between nurse and school personnel regarding the general health program and the physical and emotional health of individual children; three clinics for immunization of school children given by the school physician, your public health nurse planning for these clinics; vision and hearing tests of the students with the nurse retesting those with a possible sensory loss; and tuberculin tests given one hundred sixty-four students in kindergarten and seventh grades and school personnel.

All completed immunizations given in the various programs are summarized as follows:

TABLE 1

Type of Immunization	Number of Children Immunized
Diphtheria-Tetanus	111
Oral Polio	97
Smallpox	92
Diphtheria, Pertussis, Tetanus	49
Measles	18

Your public health nurse wishes to thank the interested citizens of the town for assisting her in the planning and implementing of the health activities of the year. She wishes also to thank the town and school officials with whom she worked for their assistance and cooperation.

Respectfully submitted,

CONSTANCE ALLEN, R.N.

Public Health Nurse

REPORT OF THE
MID-COAST HOME HEALTH AGENCY

During the year ending October 31, 1969, nurses employed by, or under contract with our agency, made 8726 visits to the homes of people in Lincoln, Knox and Waldo counties.

Most of these individuals were covered under Medicare, Titles XVIII and XIX. However, you may recall that during the year we first began to accept any home-bound individual who, under orders from a physician or an osteopath, required services of a nurse. Our nurses have been making these visits regardless of the individual's ability to pay.

We would like to request that the Town of Winterport, appropriate the sum of \$400.00 toward support of our service during the year 1970. This is the amount which you have been paying to the State Health Department toward the services of the State Public Health Nurses. This appropriation was requested to help defray the expense of home visits as well as certain public health duties of the State Nurses. As a result of an agreement with the Health Department, the State Nurses have, during the year, been turning over their home visit activities to our agency.

We appreciate the appropriation of \$400.00 from the Town of Winterport to assist us in our service during the year 1969. We respectfully request that you again appropriate the same sum during the year 1970.

Respectfully,

MARGARET GUTOSKE, R.N.

Nursing Supervisor

REPORT OF THE WINTERPORT PLANNING BOARD

March, 1970

MEMBERSHIP

Donald Nelson, Chairman	Term Expires 1971
Gordon Wildes, Secretary	Term Expires 1974
Guy Hunter	Term Expires 1970
Lewis Libby	Term Expires 1973
Donald Weston	Term Expires 1973
Richard Woolford	Term Expires 1973
Edward McKeen	Term Expires 1974

Planning Board meetings are held at 7:30 P.M. on the second Thursday of each month in the Town Office. The Board welcomes interested citizens at its meetings and suggestions and ideas pertinent to its task of working for the betterment of the Town.

A committee continues to meet weekly in preparing a long range comprehensive plan for Winterport. In this connection, pertinent and vital statistics are being compiled, zoning legislation being studied and the plans of other communities are being examined—all in an effort to develop a sound basic plan upon which Winterport can move forward.

During the past year, the Town joined the Penobscot Valley Regional Planning Conference. This new association, it is believed, will be most beneficial to the community. Among other benefits that will accrue, coming from grants and aids, is a 5 percent reduction in the cost of the construction of the proposed sewerage project.

The Board is asking for support of the Town in making the Ice Skating Area, donated by Mr. Smith and Mr. Tripp, a public park for use in both summer and winter.

Respectfully,

DONALD O. NELSON

Chairman

WINTERPORT WATER DISTRICT

An act authorizing the formation of the Winterport Water District was signed by the Governor on May 1, 1969, and accepted by the Town on June 16, 1969. The purpose of the act was to allow the town to purchase the Winterport Water Company from its present owners, Consumers Water Company of Portland, and manage it with a Board of Trustees.

The Trustees appointed by the selectmen were Kenneth Nealley, Carroll Wilson, Franklin Braley, Forrest Nelson, and Donald Weston. Kenneth Nealley has since resigned due to a possible conflict of interest and Donald O. Nelson has been appointed as replacement. Donald Weston was elected Chairman at the organizational meeting.

The Trustees have been negotiating with Consumers Water Company on a purchase price. Mr. Malcolm R. Horton of Ellsworth, a Certified Public Accountant, who specializes in utility company transfers, has been advising the Board. A complete analysis was made of the assets and operation of the water works to determine the price the District could pay without creating adverse effects on the present rates. One major problem is the present high interest rate on borrowed money which would use up a large percentage of the income. Although Consumers Water Company has come down from its original asking price, the Trustees do not feel that the reduction is sufficient to allow for favorable economic operation.

If the Trustees are unable to reach an agreement with Consumers Water Company by July 1, 1970, the Act creating the Winterport Water District becomes null and void. The Trustees feel that every effort is being made to reach a reasonable settlement, but do not feel that the water works should be purchased unless it is economically feasible and advantageous to the Town of Winterport. The Trustees will continue to work on the matter until the final date.

Respectfully submitted,
Trustees Winterport Water
District
FORREST NELSON, Sec.

Mr. Forrest B. Nelson	Term Expires 1972
Mr. Irving Harriman	Term Expires 1972

To the Superintending School Committee, town officials and the citizens of Winterport.

It is a pleasure that I am able to make this annual report to the people on the operation of your school system.

Teaching vacancies were at a minimum this year, although the administration staff was completely changed. A new Superintendent of Schools was hired in the person of Mr. Lawrence Bagley and a new Assistant-Superintendent and Principal was hired in the person of Mr. Joseph R. Watson. New teachers filling vacancies were Mr. Melvin Williams, Mr. Donald Osborne, Mrs. Nancy Ruark and Mr. Peter Allen.

The complete teaching staff is as follows:

Miss Alberta Hughey	Kindergarten
Mrs. Cathryne Wood	Grade 1
Mrs. Sibyl Mahoney	Grade 1
Mrs. Irene Tuttle	Grade 2
Mrs. Constance Lowe	Grade 2
Mrs. Reta Hunter	Grade 3
Mrs. Barbara Harrington	Grade 3
Mrs. Jane Havey	Grade 4
Mrs. Kay Clark	Grade 4
Mrs. Alice Ellis	Grade 5
Mr. Peter Allen	Grade 5
Mrs. Marilyn Potter	Grade 6
Mr. Michael Ward	Grade 6

Mrs. Amorette Mitchell	Grades 7 & 8 Departmentalized
Mr. Donald Osborne	Grade 7 & 8 Departmentalized
Mr. Melvin Williams	Grades 7 & 8 Departmentalized
Mrs. Margaret Nelson	Grades 7 & 8 Departmentalized
Mrs. Nancy Ruark	Special Education
Mrs. Ernell Clements	Remedial Reading
Mr. Charles Matthews, Jr.	Physical Education

Your School Committee and Superintendent have been working diligently trying to find a solution to the problem of placing our high school students for the next coming school year.

Our application to join a district with School Administrative District No. 56 was approved by the State Board of Education. Although it was approved by the voters of the Town of Winterport by a margin of 189 to 49, it was rejected by the member towns of School Administrative District No. 56 by a margin of 621 to 117.

It is hoped by the School Committee that the State Legislature will enact a bill to assist Winterport in joining a school district with either MSAD No. 22 in Hampden or MSAD No. 56 in Searsport by March of 1970.

The School Committee and the Administration is constantly working to improve our elementary-junior high curriculum and with the addition of physical education and remedial reading, we have taken a great step forward in broadening our education goals of giving every child well rounded education.

In regards to our maintaining our fine school, six classrooms have been completely re-painted in the original wing of the Leroy H. Smith School. It is hoped with a continuation of a planned program of maintenance within the school, that it will prevent major maintenance costs in the future. The custodial staff for the school should be commended for the fine work and interest they have shown in maintaining your school.

Again a very special thanks is given to those interested citizens who have given of their time to complete the Charles Green Memorial Playground for the school. A stone with a plaque has been erected near the flag pole of the new wing with the inscription:

Charles P. Green
Memorial Playground
1969

A new public-address system was purchased and installed this year, throughout the entire school and gymnasium. This certainly has been an added aid to the efficient operation of the school. In regards to this year's proposed school budget, the gross amount has increased cost of tuitioning our high school students and maintenance of our school buses. Although the gross budget has increased, the cost to the taxpayer is a great deal less than last year. This decrease to the taxpayer is due to the change in the fiscal year and the increased State Subsidy to the school this year. I have enjoyed returning to Winterport to serve as your Superintendent of Schools on a part time basis. Your Principal, Mr. Watson, has carried out many details a full-time Superintendent would have handled. In addition, I am certain that he has increased the efficiency of the school operation.

Your School Committee has put in time and effort beyond the call of duty, especially in attempting to find a permanent solution to the problem of secondary education by obtaining membership in a School Administrative District.

LAWRENCE P. BAGLEY
Superintendent of Schools

AUDITOR'S REPORT

February 19, 1970

Board of Selectmen
Winterport, Maine

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended February 1, 1970.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceding year.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

EARL E. RICHARDSON

Public Accountant

COMMENTS

TOWN OF WINTERPORT

For the Year Ended December 31, 1969

An audit of the financial records maintained by the Selectmen, Town Manager and Town Clerk for the year ended December 31, 1969, has been completed.

ASSETS

The cash balance of \$83,841.54 was reconciled with the balance furnished by the Mercants National Bank, Bangor, Maine and Bangor Savings Bank, Bangor, Maine. Tax Receivable of \$51,200.83 was outstanding as compared to \$31,849.63 for the previous year. Excise taxes of \$20,445.97 were collected which was \$1,054.22 more than the previous year.

DEPARTMENTAL BALANCES

The departmental accounts show a net overdraft of \$2,453.99 with balances carried forward of \$47,823.43. The Airport and government funds account was on deposit at the Bangor Savings Bank.

LIABILITIES AND SURPLUS

The unappropriated surplus of \$96,108.21 shows an increase of \$6,469.76 for the year.

DEBT FUND

The debt fund balance incorporated in the balance sheet as a separate fund shows a reduction of \$8,500.00 from the previous year.

TRUST FUNDS

The trust fund principal of \$9,365.40 and expendable income of \$11,569.45 was on deposit at the Bangor Savings Bank and the Merrill Trust Company of Bangor, Maine.

SCOPE OF AUDIT

Count of cash was made and reconciled with current recorded receipts. The system of internal control was reviewed as pertaining to the handling of cash and other matters of financial concern. External verification were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the Treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls, and cancelled checks supporting expenditures were checked for a selected period.

The Valuation book was added and compared to the Commitment records of the Tax Collector. Uncollected taxes were verified by external verification on a test basis.

The records of the annual town meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and Collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the Town on December 31, 1969 and the results of its operations for the year ended.

Town of Winterport

WARRANT

STATE OF MAINE COUNTY OF WALDO, ss.

To Wallace E. Harmon, a constable of the Town of Winterport, in the County of Waldo:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Winterport, in said county, qualified by law to vote in town affairs, to meet at the Winterport Town Hall, in said town, on Monday, the 16th day of March, A.D., 1970, at ten o'clock in the forenoon, then and there to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the Town will vote to adopt the following proposal, to wit: That upon completion of action in Article 4 of this Warrant, the Meeting will adjourn to meet at the Sproul-Weed Gymnasium at the LeRoy H. Smith School Tuesday, March 17, 1970 at 7:30 P.M., in the evening to act upon the remaining Articles in this Warrant.

Art. 3. To choose by secret ballot, according to the Revised Statutes, one member of the board of Selectmen, for a term of three years; one member of the board of Selectmen, for a term of one year; one member of the board of assessors, for a term of three years; one member of the Superintending School Committee, for a term of three years, and a Town Clerk for a term of one year.

Art. 4. Shall the Town vote to authorize the Selectmen to employ professional appraisors, of their choosing, for the purpose of establishing values of all real estate for tax purposes; such valuation to be accomplished during the municipal year 1970 A.D.

(Art. 4—By Petition)

The polls will be open at ten o'clock in the forenoon and will close at eight o'clock in the evening.

Art. 5. To see if the Town will vote to instruct its selectmen as to the length of time for funding the revaluation program as set forth in Article 4.

Art. 6. To see what sum the Town will vote to raise or appropriate for revaluation as set forth in Articles 4 and 5.

Art. 7. To choose four members to serve on the Budget Committee for a term of three years.

Art. 8. To see what sum of money the Town will vote to raise or appropriate for Elementary and Secondary Education.

Budget Committee Rec. \$104,826.93

Art. 9. To see if the Town will vote to raise or appropriate the sum of \$4,915.00 for payment on the LeRoy H. Smith School, in accordance with the lease agreement between the Town and the Maine School Building Authority.

Budget Committee Rec. \$4,915.00

Art. 10. To see if the Town will vote to raise or appropriate the sum of \$14,390.50 for payment on the LeRoy H. Smith School Addition, said sum to be paid to the Merchants National Bank of Bangor in accordance with the note between the Town and the Merchants National Bank aforesaid.

Budget Committee Rec. \$14,390.50

Art. 11. To see what sum of money the Town will vote to raise or appropriate for salaries of the Selectmen, Assessors and Health Officer.

Budget Committee Rec. \$1,110.00

Art. 12. To see what sum of money the Town will vote to raise or appropriate for Administrative Town Expenses.

Budget Committee Rec. \$16,500.00

Art. 13. To see what sum of money the Town will vote to raise or appropriate for its Town owned Fire Department.

Budget Committee Rec. \$2,000.00

Art. 14. To see what sum of money the Town will vote to raise or appropriate for equipment for the Town owned Fire Department.

Budget Committee Rec. \$600.00

Art. 15. To see what sum of money the Town will vote to raise or appropriate for Street Lighting Service.

Budget Committee Rec. \$2,500.00

Art. 16. To see what sum of money the Town will vote to raise or appropriate for Hydrant Rental.

Budget Committee Rec. \$7,870.20

Art. 17. To see what sum of money the Town will vote to raise or appropriate for Law Enforcement Protection.

Budget Committee Rec. \$3,500.00

Art. 18. To see if the Town will vote to accept the provisions of the Workmen's Compensation Act.

Rec. Yes

Art. 19. To see what sum of money the Town will vote to raise or appropriate for Workmen's Compensation Insurance on employees that are employed by the Town.

Budget Committee Rec. \$400.00

Art. 20 To see what sum of money the Town will vote to raise or appropriate for its share of the cost of the Social Security Plan.

Budget Committee Rec. \$720.00

Art. 21. To see what sum of money the Town will vote to raise or appropriate for the maintenance of the Town Dump.

Budget Committee Rec. \$500.00

Art. 22. To see what sum of money the Town will vote to raise or appropriate for the maintenance of Town Sewers.

Budget Committee Rec. \$500.00

Art. 23. To see what sum of money the Town will vote to raise or appropriate for the maintenance of Streets, Sidewalks, Highways, and Bridges.

Budget Committee Rec. \$ 4,000.00 from Excise
12,000.00 from Taxation

Art. 24. To see what sum of money the Town will vote to raise or appropriate for Snow Removal and Sanding.

Budget Committee Rec. \$16,000.00 from Excise

Art. 25. To see what sum of money the Town will vote to raise or appropriate for Snow Removal and Sanding Equipment.

Budget Committee Rec. \$400.00

Art. 26. To see what sum of money the Town will vote to raise or appropriate for State Aid Construction in addition to the amounts regularly raised for the care of Ways, Highways and Bridges, under the provisions of Title 23, MRSA, Sections 1101, 1103, or 1104.

Budget Committee Rec. \$4,788.00

Art. 27. To see what sum of money the Town will vote to raise or appropriate for relief of Town Poor.

Budget Committee Rec. \$1,000.00

Art. 28. To see what sum of money the Town will vote to raise or appropriate for Aid to Dependent Children.

Budget Committee Rec. \$2,400.00

Art. 29. To see if the Town will vote to raise or appropriate \$400.00, said sum to be paid to the Mid-Coast Home Health Agency for Home Nursing visits to all eligible people.

Budget Committee Rec. Yes

Art. 30. To see what sum of money the Town will vote to raise or appropriate for the Planning Board.

Budget Committee Rec. \$200.00

Art. 31. To see what sum of money the Town will vote to raise or appropriate for Memorial Purposes.

Budget Committee Rec. \$125.00

Art. 32. To see what sum of money the Town will vote to raise or appropriate for maintenance of Town Cemeteries.

Budget Committee Rec. \$200.00

Art. 33. To see what sum of money the Town will vote to raise or appropriate for care and maintenance of Oak Hill Cemetery, said sum to be expended by Oak Hill Cemetery Association.

Budget Committee Rec. \$600.00

Art. 34. To see what sum of money the Town will vote to raise or appropriate for Parks, this amount to be expended on maintenance of Abbott Park and completion of the Ice Skating area.

Budget Committee Rec. \$400.00

Art. 35. To see if the town will vote to raise or appropriate the sum of \$1,500.00 for the Winterport Free Library.

Budget Committee Rec. Yes.

Art. 36. To see what sum of money the Town will vote to raise or appropriate for Town Hall Maintenance.

Budget Committee Rec. \$1,000.00

THE LIBRARY

The Winterport Free Library Association was organized February 26, 1895 at the home of Fred Atwood, who was chosen as chairman, with E. M. Hall Secretary and Seth Morgan, Treasurer.

The Library was located first in two rooms of the Odd Fellows Building, on the second floor. In 1920 the library was moved to the Stokell Block again on the second floor, where it remained until the present Memorial Building was built.

The lot on which it was built was given by Mrs. Harriet Lewis. Generous gifts of money and labor by the Townspeople made the erection of the building and its furnishings possible.

The building was erected as a memorial to the Winterport men who served in the Spanish War and World War I. Their names are on the bronze tablets on either side of the entrance. Dedication took place on August 23, 1922 with appropriate ceremonies on the grounds in front of the building.

Following World War II, a memorial of wood was placed on the north lawn as a memorial to the men who served in that war. That was later replaced by the granite monument placed in front of the building by the American Legion.

Since the association was organized, a number of friends of the Library have given funds to be invested and the income used for the purchase of books. The names of these people will be found in the front of each book which has been purchased from this income.

Mrs. Lena Weed left a fund, the income of which may be used in any way that is needed.

Mr. Hulbert Tripp has set up the "Alice E. and Willis P. Tripp" fund as a memorial to his mother and father. The income from this fund can also be used as needed.

The money appropriated by the Town provides for the operating expenses of the Library. The new lighting which was put in in 1968 has been much appreciated.

Shelf space was provided for about 10,000 books. This space has been filled to overflowing and shelves have been added to the Reading Room for a children's section.

The Library is open from 2 to 5 and 7 to 8 P.M. on Tuesday, Thursday and Saturday.

Anyone fourteen years of age or over may borrow books by signing an agreement to obey the rules of the Association which are to be found in the front of each book. Children under fourteen may borrow books, their parents to be responsible for the return of the books.

It is to be hoped that more of the people of the town will avail themselves of the many things which the Library has to offer.

LETTER OF TRANSMITTAL

Year 1970

To the Citizens of Winterport:

It is with pleasure I submit to you this 109th Annual Report for the year ending December 31, 1970.

The experience which I have encountered during these past months has been challenging as well as rewarding.

When Mr. Bartlett resigned last November to take up his duties in Madison, Maine, I was awed to think of what must be done during the interim period of Managers; especially the carrying through to finalization of those projects which had been introduced by him.

I've been quoted as saying "All is going just fine," that is my standard reply; as the combined cooperation of all concerned must of necessity work things out favorably to all.

Thanks to the courteous cooperation and understanding of your municipal officers, and the officials of our surrounding communities I can still say "all's well."

Respectfully submitted,

DOROTHEA M. McGURKIN

Acting Town Manager

TOWN MEETING

THIS IS YOUR TOWN!

THIS IS YOUR MEETING!

YOU WILL CHOOSE PERSONS WHO WILL REPRESENT YOU.

CHOOSE THEM WISELY AND THEN HAVE FAITH IN THEM.

THINK NOW! SPEAK AT TOWN MEETING.

A FEW WELL THOUGHT OUT WORDS, WITHOUT PERSONAL APPLICATION, BUT FOR THE GOOD OF ALL, SPOKEN AT THIS MEETING, WILL BE OF MORE VALUE THAN MANY WORDS SPOKEN IN CRITICISM TOMORROW.

MAXINE LOWE

The Winterport Health Council is starting off this year with a financial surplus, due to no longer having the cost of handling the school children. This cost is now being taken care of by the School Fund. This leaves us with a surplus which we feel is a sufficient amount for us to hold the eight (8) well baby clinics, we plan on holding this coming year. The Health Council also plans on holding an Adult Clinic in the near future. This will be an evening clinic, so that adults that work during the day, may take advantage of this clinic if they so desire to do so. Date, place and time of this clinic will be published at a later date.

In our sick-room closet, we have hospital beds; wheel-chairs; vaporizers; crutches and other sick room supplies, available to families needing them. These supplies are on loan to families in Winterport, free of charge, all we ask is to please return them when finished with them so that some other family might use them.

Respectfully submitted,

MADELINE LOWE, President

Winterport Health Council

Maine Department of Health and Welfare
Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Services in
Winterport in the year 1970

Public health nursing is recognized as an area of professional nursing that functions as part of the total public health program. It is directed toward promotion of health of the community. It includes health supervision, prevention of illness and disability, rehabilitation and improvement of social and physical environments. Your public health nurse, a member of the Division of Public Health Nursing, attempted to achieve these goals by varied activities.

A total of one hundred and sixty-five visits were made to the home in the health interests of families. Ninety-two conferences were held with physicians, hospital personnel, school personnel, town officials, social workers and health council members in behalf of individual patients or health programs. Referrals were made, when indicated, to home health agencies and other available resources.

As a part of the infant and pre-school health program, five child health conferences were held. Sixty-eight children, not under the supervision of a private physician, took advantage of this service. Physical examinations and immunizations were given, as needed, by S. L. Wagner, M.D. The nurse discussed the child's health, growth and development with the parent. She assisted in the management of health problems, when necessary.

Your public health nurse worked with school personnel, school physician, S. L. Wagner, M.D., and health council members to carry out the school health program which included these services:

- A. Audio and visual testing of all children
- B. Medical examination of pupils in grades four to eight inclusive

C. Communicable disease control

1. Immunizations, as needed
2. Tuberculin testing of pupils in kindergarten, seventh grade and school personnel

D. Conferences with school personnel regarding individual students and school health activities

Parental permission was obtained, as needed, for these services. Parents were contacted regarding any discovered health impairments of the school child. They were given assistance in obtaining further medical care as indicated.

Beginning September, 1970, your school health program has been conducted by Mrs. Juliet Luro, R.N., school nurse of S.A.D. 22.

All immunizations given in the various programs are summarized as follows:

Type of Immunization	Number of Children Immunized
Diphtheria	111
Tetanus	111
Poliomyelitis	78
Pertussis	54
Smallpox	52
Measles (Rubeola)	17

Sincere appreciation is extended to the health council members for their capable assistance and to the community for their interest and support.

Respectfully submitted,

CONSTANCE B. ALLEN, R.N.

Public Health Nurse

REPORT OF THE
MID-COAST HOME HEALTH AGENCY

December 30, 1970

Town Manager
Town of Winterport
Winterport, Maine 04496

Dear Sir:

Once again, the Mid-Coast Home Health Agency requests financial support from the citizens of Winterport.

During 1970 nurses employed by our agency made 59 visits to patients living in Winterport. Many of these were to individuals covered by Medicare. Recently, however, the Social Security Administration has become most rigid in its requirements and has denied payment for some visits we have been making to patients covered by Medicare.

Also, as doctors realize the value of our services, we are making more visits to patients in the younger age group who are not covered under Medicare or private insurances. In such cases, your Town will be informed about the expenditures made by Mid-Coast Home Health Agency for the support of your Town's poor and needy.

Support of our agency's work in the form of Town Meeting appropriations and otherwise will be greatly appreciated.

Sincerely yours,

JOHAN BROUWER, M.D.

President-Medical Director

PLANNING BOARD

A committee of the Board has completed a survey of the Town which will be used as a basis for a long range comprehensive plan and a proposed zoning ordinance for Winterport.

Throughout the year the Board met with officials of the State Highway Commission, the State Park and Recreational Commission and other representatives of the State Government. The purpose of these meetings was to obtain information about State plans and projects that would have an effect on this area and the Town of Winterport. In addition to these meetings, representatives of the Board met regularly with the Penobscot Regional Planning Conference in Bangor.

A number of recommendations were submitted to the Selectmen for their consideration during the past year.

Several joint meetings were held with the Planning Board of Frankfort for the purpose of discussing mutual plans and exchanging information and views on matters that are of mutual interest to both towns.

Respectfully,

DONALD O. NELSON

Chairman

REPORT OF THE WINTERPORT WATER DISTRICT

Final agreement for purchase of the assets of the Winterport Water Company was reached in May, and transfer accomplished on June 26, 1970. The Trustees felt that payment of \$150,000 was fair and could be amortized without asking for a rate increase. Consumers Water Company, the parent company of Winterport Water Company, took the District bonds at 6 percent interest, for three years, for payment. Since interest rates on municipal bonds were running around 7 per cent at the time, this was advantageous to the District.

The Trustees are now working with Farmers Home Administration for issuance of long term bonds. If these bonds do not sell on the market at an interest rate of 5 per cent or less, Farmers Home Administration will purchase them. Thus we will be insured of an interest rate of not over 5 per cent.

Considerable confusion accompanied the first billing by the District. This was caused by an error in billing made by the Winterport Water Company, the change from quarters ending January, April, July, and October, to standard quarters ending March, June, September, and December, and lastly from billing in arrears to billing in advance.

The Trustees arranged with the Selectmen to combine office facilities, with the District paying part of the total expense. This has resulted in savings to both the District and the Town.

We have made several improvements in the system, including the repair of several neglected leaks, the installation of a new heating system in the plant, and rehabilitation of the controls. As part of the purchase agreement the Company painted the water tower, provided a standby pump and motor, and drilled two additional wells. These can be used in the future for increasing the supply or for emergencies.

Although the Winterport Water District is owned by the Town and the Trustees operate and maintain it for the Town, the rates are controlled by the Maine Public Utilities Commission, like any other public or private utility, and the rates cannot be changed without the approval of the Commission.

Trustees, Winterport Water Dist.

DONALD W. WESTON,

Chairman

LEROY SMITH SCHOOL

To the Citizens of the Town of Winterport

The past year contained many changes and advancements within the educational and physical structure of the school. Most items of prime significance were made possible by the vote of the citizens to join School Administrative District No. 22 on April 29.

The most significant change in our joining a district afforded our high school students the opportunity to have their own high school, which they can now fully associate with and call home. Although the senior high students chose to graduate from Brewer High School, upon their graduation it will mark another era in the history of Winterport, for all future students will be graduating from Hampden Academy.

The staff at the Smith School remained relatively the same with only a minimum of changes. Mrs. Virginia Krauter has replaced Mrs. Sybil Mahoney during her leave of absence of one year. Mrs. Sondra Loacker has replaced Mr. Peter Allen in grade 5; Mrs. Sharon Wood has replaced Miss Alberta Hughey in kindergarten; and Mr. William Holden has replaced Mr. Michael Ward in the teaching of science in grades 6 and 7. Mr. Ward resigned prior to Christmas vacation.

There have been no radical changes in the operation of our elementary school because of the formation of the District. It is hoped with the able assistance of our Superintendent, Mr. John Skehan, and his assistant, Mr. Alvah Brooks, our school will continue to improve educationally and efficiently.

The elementary school has truly benefited in many ways from the formation of the District. Our children are now receiving the benefits of a broader curriculum with the addition of music instruction, instrumental instruction, art instruction, and the availability of two guidance counselors.

With the added programs and the curriculum already established within our school, the Winterport citizens have an elementary school they can be proud of.

Our students in the upper grades have done their school and community a fine service by excelling in our inter-school programs. During the 1970 basketball and softball seasons, the junior high girls won the Penobscot Valley League championship for both sports. Although the boys did not fair as well, they were fine representatives of our school and community.

During the 1971 basketball season, both the girls and boys took hold and won the Penobscot Valley League championship with a 10-0 and 9-1 record respectively.

Although all students cannot participate in our inter-school program, all students are given the opportunity to take part in the intramural program established by Mr. Matthews, our physical education instructor.

The student council continues to operate for the benefit of improving activities within the school, the school itself, and being the voice of the student body. Although few clubs are organized as yet, many are being formulated by the student council.

The school continues to publish the yearbook *Riverside* under the direction of Mrs. Amorette Mitchell. This is a major undertaking on the part of the yearbook staff and a tremendous learning experience. The 1970 yearbook received a national rating of being superior in nation-wide competition. It is hoped that the people of Winterport will continue to support this worthwhile project.

The Sproul-Weed Gymnasium continues to improve in appearance and is almost constantly in use. Its completion and new appearance has taken place only through the efforts and generosity of the citizens of the community. The stage has been fully completed and should become an intricate part of the school program, as well as being used for community programs. The installation of bleachers in the gym and basket lockers for both locker rooms has been extremely beneficial in our physical education program, intramural sports and inter-school sports programs.

Our maintenance program continues to flourish and we are now trying to operate on a preventative maintenance program. Through this program we hope to prevent major problems at future dates. Full time custodial help is now available 16 hours a day at the school.

Our cafeteria program under the direction of Mrs. Ruth Moran continues to be self-supporting and serves on the average of 260 meals a day. This is almost one-half the student body.

This has been only a brief description of some of the new programs and changes within the past year. It is impossible to note everything which has taken place and I would welcome any citizen to come and visit their school to see its operation and facilities, as well as to discuss these programs which have taken place.

I wish to sincerely thank all the citizens of Winterport on behalf of my staff and myself for the continued cooperation and support of their school.

Respectfully submitted,

JOSEPH R. WATSON

Principal

FIRE DEPARTMENT

This past year was a bad one both for the Department and for those unfortunate people who had fires. We had to purchase a new oil tank and burner for the Fire House, new hose, CO2 Capsules and compound for the extinguisher on the truck, new brake job on the tanker, new boots for the men, a cap for the furnace and one big payroll.

We had 19 Grass Fires

9 House Fires

3 Oil Burner Fires

2 Auto Fires

1 Chimney Fire

Flushing Culverts

58 Hours on Crushing Cars

We have been paying the average of \$1.50 per hour on all fires with the exception of the Mariner, which was paid for at \$2.00 per hour.

I wish to thank everyone for their help during the past year and hope I have done some good for the Department.

Yours very truly,

LEROY T. NELSON

Fire Chief

SNOW REMOVAL FOREMAN

I would like to express my appreciation to the snow plow crew, the sanding crew and all connected with the snow removal.

They have done an excellent job and the roads in Winterport have never been in better condition.

Respectfully submitted,

LEWIS LIBBY

Road Foreman

AUDITOR'S REPORT

February 2, 1971

Board of Selectmen
Winterport, Maine

Gentlemen:

In accordance with Volume 14, Title 30, Section 5253, Revised Statutes of 1964, an audit has been conducted of the financial records of the Town of Winterport for the fiscal year ended December 31, 1970.

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other procedures as were considered necessary in the circumstances. The audit was on a basis consistent with that of the preceeding year.

The financial and statistical sections, incorporated in this report, present the results of the Town's financial operations for the period indicated.

Respectfully submitted,

EARL E. RICHARDSON

Public Accountant

COMMENTS

TOWN OF WINTERPORT

Year Ended December 31, 1970

An audit of the financial records maintained by the Town Manager and other various Town Officers has been completed for the year ended December 31, 1970.

The examination included a check of all cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following texts, exhibits and schedules.

CASH

The cash balance of \$56,952.37 was reconciled with the statements furnished by the Merchants National Bank of Bangor, Maine and the Bangor Savings Bank. Petty Cash of \$300.00 was on hand at audit date.

TAX RECEIVABLES

The current year's tax assessment of \$242,155.56 was added and compared to the tax commitment. Copies of excise tax receipts were added and found to equal excise deposited by the Treasurer.

DEPARTMENTAL ACCOUNTS

A review of departmental balances revealed unexpended balances exceeded overdrafts by \$3,035.16

The principal overdrafts were noted in the snow removal account of \$5,198.92 and aid to dependent children account of \$2,014.32.

DEBT FUND

The debt fund was assumed by School Administrative District No. 22 at the time the Town joined the school district.

TRUST FUNDS

The trust fund balance of \$22,688.54 included \$28.21 which is the balance carried forward in the Charles A. McKenney account of the general fund.

SCOPE OF AUDIT

Count of cash was made and reconciled with current recording receipts. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. External verifications were utilized, on a test basis, to determine the correctness of recorded assets.

An analysis was made of the treasurer's receipts and deposits as well as expenditures and bank charges. Vouchers, payrolls and cancelled checks supporting expenditures were checked for a selected period.

The records of the annual town meeting were reviewed and matters concerning finances were verified with the accounting records. Excise tax computations and collections were checked on a test basis. Bond coverage was examined.

Included in this report are exhibits and schedules pertaining to the financial status of the town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed, subject to the foregoing comments, that the accompanying statements and supporting information present fairly the financial position of the town at December 31, 1970 and the results of its operations for the year then ended.

WARRANT

STATE OF MAINE

COUNTY OF WALDO, ss.

To Bernard D. Simpson, a constable of the Town of Winterport, in the County of Waldo:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Winterport, in said county, qualified by law to vote in town affairs, to meet at the Winterport Town Office building, in said town, on Monday, the 15th day of March, A.D., 1971, at ten o'clock in the forenoon, then and there to act on the following articles to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To see if the Town will vote to adopt the following proposal, to wit: That upon completion of action in Article 3 of this Warrant, the Meeting will adjourn to meet at the Sproul-Weed Gymnasium at the LeRoy H. Smith School Tuesday, March 16, 1971 at 7:30 P.M., in the evening to act upon the remaining Articles in this Warrant.

Art. 3. To choose by secret ballot, according to the Revised Statutes, two members of the Board of Selectmen, for a term of three years; one member of the Board of Assessors, for a term of three years; two members for the School Administrative District No. 22 School Directors; for a term of three years, and a Town Clerk for a term of one year.

The polls will be open at ten o'clock in the forenoon and will close at eight o'clock in the evening.

Art. 4. To choose four members to serve on the Budget Committee for a term of three years.

Art. 5. To see what sum of money the Town will vote to raise or appropriate for salaries of the Selectmen, Assessors and Health Officer.

Budget Committee Rec. \$1,935.00.

Art. 6. To see what sum of money the Town will vote to raise or appropriate for Administrative Town Expenses.

Budget Committee Rec. \$16,500.00.

Art. 7. To see what sum of money the Town will vote to raise or appropriate for its Town owned Fire Department.

Budget Committee Rec. \$3,000.00.

Art. 8. To see what sum of money the Town will vote to raise or appropriate for equipment for the Town owned Fire Department.

Budget Committee Rec. \$600.00.

Art. 9. To see what sum of money the Town will vote to raise or appropriate for Street Lighting Service.

Budget Committee Rec. \$2,500.00.

Art. 10. To see what sum of money the Town will vote to raise or appropriate for the Hydrant Rental.

Budget Committee Rec. \$7,870.00.

Art. 11. To see what sum of money the Town will vote to raise or appropriate for the Law Enforcement Protection.

Budget Committee Rec. \$3,500.00.

Art. 12. To see what sum of money the Town will vote to raise or appropriate for Workmen's Compensation Insurance on employees that are employed by the Town.

Budget Committee Rec. \$400.00.

Art. 13. To see what sum of money the Town will vote to raise or appropriate for its share of the cost of the Social Security Plan.

Budget Committee Rec. \$500.00.

Art. 14. To see what sum of money the Town will vote to raise or appropriate for the maintenance of the Town Dump.

Budget Committee Rec. \$600.00.

Art. 15. To see what sum of money the Town will vote to raise or appropriate for the maintenance of Town Sewers.

Budget Committee Rec. \$500.00.

Art. 16. To see what sum of money the Town will vote to raise or appropriate for the maintenance of Streets, Sidewalks, Highways, and Bridges.

Budget Committee Rec. \$4,000.00 from Excise,
\$12,000.00 from Taxation.

Art. 17. To see what sum of money the Town will vote to raise or appropriate for Snow Removal and Sanding.

Budget Committee Rec. \$20,000.00 from Excise.

Art. 18. To see what sum of money the Town will vote to raise or appropriate for Snow Removal and Sanding Equipment.

Budget Committee Rec. \$1,000.00 from Excise.

Art. 19. To see what sum of money the Town will vote to raise or appropriate for State Aid Construction in addition to the amounts regularly raised for the care of Ways, Highways and Bridges, under the provisions of Title 23, MRSA, Sections 1101, 1103, or 1104.

Budget Committee Rec. \$1,728.00.

Art. 20. To see what sum of money the Town will vote to raise or appropriate for relief of Town Poor.

Budget Committee Rec. \$1,000.00.

Art. 21. To see what sum of money the Town will vote to raise or appropriate for Aid to Dependent Children.

Budget Committee Rec. \$1,393.29.

Art. 22. To see if the Town will vote to raise or appropriate \$400.00, said sum to be paid to the Mid-Coast Home Health Agency for Home Nursing visits to all eligible people.

Budget Committee Rec. \$400.00.

Art. 23. To see what sum of money the Town will vote to raise or appropriate for the Planning Board.

Budget Committee Rec. \$300.00.

Art. 24. To see what sum of money the Town will vote to raise or appropriate for Memorial Purposes.
